**Icons used in this manual**

| | |
|---|---|
| Prohibited | Indicates actions that are prohibited. |
| Mandatory | Indicates actions that must be followed. |

## Cleaning the Exterior

Wipe the exterior with a dry cloth. If the exterior is very dirty, wipe it with a cloth slightly moistened with a neutral detergent diluted with water, then wipe it with a dry cloth.

**Prohibited**

Do not use chemicals such as benzene, thinner, or alcohol, or any other substances that may damage the product's exterior finish.

**Mandatory**

Wipe the exterior with a dry cloth. If the exterior is very dirty, wipe it with a cloth slightly moistened with a neutral detergent diluted with water, then wipe it with a dry cloth.

## Cleaning the Lens

Use a lens cleaner or a soft cloth to remove dust and fingerprints from the lens surface.

**Prohibited**

Do not use chemicals such as benzene, thinner, or alcohol, or any other substances that may damage the product's exterior finish.

**Mandatory**

Use a lens cleaner or a soft cloth to remove dust and fingerprints from the lens surface.

## Cleaning the Earpiece

Remove earwax and other foreign substances from the earpiece using a cotton swab or a soft brush.

**Prohibited**

Do not use chemicals such as benzene, thinner, or alcohol, or any other substances that may damage the product's exterior finish.

**Mandatory**

Remove earwax and other foreign substances from the earpiece using a cotton swab or a soft brush.

## Cleaning the Charging Port
