The CD in the package provide the Number Lock, Scroll Lock, Cap Lock indicated function. The software will show the Num Lock, Cap Lock and Scroll lock information on the screen when it was installed to the system. If the installation does not show automatically, please open (my computer) --> [CD-ROM], and double click "setup.exe" icon.

After install keyboard status indication software, you will find 3 small icons in your task bar as follows:

When you lock up the Number pad, cap or scroll the light will show green color, otherwise it will show the gray color.

8

Uninstall the software

Right click the Slim Multimedia icon in the taskbar.
Left click [Exit Slim Multimedia] from the menu, then the Slim Multimedia icon will disappear form the taskbar.
Click [Start] --> [Program] --> [RF Status] --> uninstaller, and uninstall according to the directions on the screen.

FCC Statement on CLASS B

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-Reorient or relocate the receiving antenna.
-Increase the separation between the equipment and receiver.
-Connect the equipment into and outlet on a circuit different from that to which the receiver is connected.
-Consult the dealer or an experienced radio / TV technician for help.

This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
