FCC Statement
DECLARATION OF CONFORMITY WITH FCC RULES FOR ELECTROMAGNETIC COMPATIBILITY

We, Belkin International, Inc., of 12045 E. Waterfront Drive, Playa Vista, CA 90094, declare under our sole responsibility that the product F7C030 to which this declaration relates, conforms to Part 15 of FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Exposure to Radio Frequency Radiation.
This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to Part 15 of the FC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna.
- Increase the distance between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Belkin International, Inc. Limited Lifetime Warranty
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. In order to avoid the possibility of exceeding the FCC radiation exposure limits, this equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body.

Use only the supplied integral antenna. Use of unauthorized antennas or modifications could damage the transceiver and may violate FCC regulations.

Instrucción obligatoria sin radiofrecuencia
Cet équipement est conforme aux limites d'exposition aux rayonnements IC établies pour un environnement non contrôlé. Afin d'éviter le risque d'dépassement des limites d'exposition aux rayonnements IC, il est recommandé de ne pas se rapprocher à moins de 20 cm de distance entre le radiateur et votre corps.

Utiliser seulement l'antenne intégrée fournie. L'utilisation d'antennes non autorisées ou des modifications peut endommager l'émetteur et enfreindre les règlements de la FCC.

Belkin Limited Lifetime Warranty
Belkin warrants to the original purchaser of this product that it is free of defects (subject to the limitations set forth below) in workmanship and materials for the lifetime of the product. This warranty covers all Belkin hardware products sold after the date of first consumer purchase. Belkin's sole obligation under this warranty shall be limited to the repair or replacement (at Belkin's option) of any such defective product, provided the purchaser of the product shall give Belkin reasonable notice of such defect and shall have reasonably complied with Belkin's instructions for the return of such product. This warranty does not cover ordinary wear and tear, nor does it cover any defect in a product that has been subjected to abuse, misuse, improper installation, alteration, neglect, or accidental damage. Belkin shall not be responsible for any software, firmware, information, or memory data contained in, stored on, or integrated with any product returned to Belkin pursuant to this warranty, including the cost of recovering such software, firmware, information, or memory data. In no event shall Belkin's liability under this warranty exceed the purchase price of the product. This warranty does not cover any product purchased through an auction. Products purchased through auctions are not eligible for replacement under this warranty.

Except to the extent prohibited by applicable law, all implied warranties, including without limitation the warranties of merchantability and fitness for a particular purpose, are limited in duration to the lifetime of the product as described above and no other express warranties or conditions shall be binding on Belkin. Some jurisdictions do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Some jurisdictions do not allow the exclusion of or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

Belkin's obligation to provide a replacement product or part under this warranty is contingent upon the return of the defective product or part at the purchaser's expense to Belkin. Belkin may, at its option, require the purchaser to pay the cost of shipping the replacement product or part to the purchaser. Belkin may, at its option, require the purchaser to pay a nominal service charge to cover the cost of repairing a product that is not defective.

Belkin's obligation to repair or replace a defective product or part under this warranty is conditioned upon the return of the product or part to Belkin in the same condition as it was when it was first shipped to the purchaser, except for reasonable wear and tear resulting from the performance of repair or replacement under this warranty.

Belkin's obligation to repair or replace a defective product or part under this warranty is further conditioned upon the purchaser's compliance with all of Belkin's instructions for the return of such product or part to Belkin, including, without limitation, Belkin's requirements that the purchaser ship such product or part in the original packaging or packaging reasonably equivalent to the original packaging, that the purchaser pay all shipping charges to Belkin, that the purchaser insure such shipment or assume the risk of loss or damage to such shipment, that the purchaser include in such shipment a return authorization number issued by Belkin, and that the purchaser include in such shipment a description of the defect for which the product or part is being returned.

Belkin's obligation to repair or replace a defective product or part under this warranty is further conditioned upon the purchaser's compliance with all of Belkin's instructions for the installation, connection, interconnection, calibration, or configuration of the product or part, including, without limitation, Belkin's requirements that the purchaser follow the instructions and use only the cables and power adapters provided by Belkin, that the purchaser install the product or part in a suitable environment and under suitable operating conditions, that the purchaser install, connect, interconnect, calibrate, or configure the product or part in accordance with the then-current Belkin instructions, that the purchaser install software updates and patches in accordance with Belkin's instructions, and that the purchaser otherwise operate the product or part in accordance with the then-current Belkin instructions and not to abuse, misuse, improperly install, improperly alter, improperly repair or improperly use the product or part.

Under no circumstances will Belkin be liable or responsible for any loss or damage, whether direct, indirect, incidental, special, or consequential, which arises out of or in connection with the use of, or inability to use, the product or part in conjunction with any hardware, software, firmware, information, or memory data. In no event shall Belkin be liable for any damages in excess of the purchase price of the product or part. In no event shall Belkin be liable for any damages even if Belkin or a Belkin authorized representative has been advised of the possibility of such damages, and Belkin does not warrant that its products or parts will operate in combination with any hardware, software, firmware, or memory data or products or parts not manufactured or authorized by Belkin.

Except to the extent prohibited by applicable law, all implied warranties, including without limitation the warranties of merchantability and fitness for a particular purpose, are limited in duration to the lifetime of the product as described above and no other express warranties or conditions shall be binding on Belkin. Some jurisdictions do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Some jurisdictions do not allow the exclusion of or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.
