7) Feature Memory

The RMR-D312 will automatically "Remember" your settings when the unit is turned off or removed from the power. All features selected are retained in memory-Dim/Dark, audio tone, City/Highway, VG2 and mute.

8) VG2 Select

- Hold down the City button for three seconds. The RMR-D312 will disengage VG2 feature with beep sound.
- Press City button again for three seconds. The RMR-D312 will engage VG2 feature with three beeps.
- Factory default is "VG2 On".

9) Feature Engage Confirmation

Each time a button is pressed two beeps confirm feature "on", one beep confirms feature "off".
