## FCC Compliance Statements

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio / TV technician for help.

Warning : You are cautioned that any change or modifications to the equipment not expressly approved by the party responsible for compliance could void your authority to operate such equipment.

### Safety Instruction

**WARNING**  
**RISK OF ELECTRIC SHOCK**  
**DO NOT OPEN**

**Warning:**

**To reduce the risk of electric shock do not remove cover(or Back)..  
No user serviceable parts inside. Refer servicing to qualified service personnel.**

The lightning flash with arrowhead symbol, within an equilateral triangle, is intended to alert the user to the presence of insinuated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operation and maintenance (servicing) instructions in the literature accompanying the appliance.

**Warning:**

**To prevent fire or shock hazard, do not expose the set to rain or moisture. Do not rub or strike the Active Matrix LCD with anything hard as this may scratch, mar, or damage the Active Matrix LCD permanently.**

**Caution:**

- Do not attempt to modify this product in any way without written authorization.
- Read and keep these Instruction manual
- Heed all warnings and follow all instructions.
- Do not use this apparatus near water.
- Clean only with a dry cloth.
- Do not block any ventilation openings. Install in accordance with the manufacturer instructions.
- Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heats.
- This TV is not completely disconnected from a power supply line, as minute current is consumed even when the POWER switch is turned off.
- Do not place hot objects or naked flame sources, such as lighted candles or nightlights on, or close to the TV. High temperatures can melt plastic and lead to fires.
- Do not set on top of the TV. Any object or container that might spill liquids or small objects into the TV.
- Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles, and the point where it exits the apparatus.
- Only use attachments/accessories specified by the manufacturer.
- Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury form tip-over.
- Unplug this apparatus during lighting storms or when unused for long periods of time.
- Refer all servicing to qualified service personnel., Servicing is required when the apparatus has been damaged in any way, such as power supply cord or plug is damaged, liquid has been spilled or objects has fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

## **Installation**

### **Power:**

This set operates on an AC main supply, the voltage is as indicated on the label on the back cover.

Never apply any DC power to the set directly. Connect the power cord to an AC mains. In the event of thunderstorms or power cuts, please pull out the mains and aerial plug of the set.

Do not allow anything to rest upon or roll over the power cord, and do not place the set where the power cord is subject to damage.

### **Warning:**

To prevent fire or shock hazard, do not expose the set to rain or moisture. Do not rub or strike the Active Matrix LCD with anything hard as this may scratch, mar, or damage the Active Matrix LCD permanently.

### **Service**

Never remove the back cover of the unit, this can expose you to high voltage and other hazards.

If the unit does not operate properly, unplug it and call your dealer.

Antenna connect the antenna cable to the connection marked Ant. (on the rear).

For best reception, use an outdoor antenna.

### **Location**

Position your unit so that no bright light or sunlight will shine directly on the screen.

Do not expose the unit to vibration, moisture, dust or heat. Also ensure that the unit is placed in a position that allows a free flow of air. Do not cover the ventilation openings on the back cover. You can install the unit on a wall or place it on a table-top or similar flat surface. Mounted the unit securely to eliminate the risk of injury from the unit falling. Contact your dealers to purchase the optional ceiling mount.

### **Cleaning**

Unplug the unit before cleaning the face or the LCD Screen. Dust the unit by wiping the screen and cabinet with a soft, clean cloth. If the screen requires additional cleaning use a clean, damp cloth. Do not use liquid or aerosol cleaners.

	<b>Interface</b>	Daul Channel LVDS, Single Channel LVDS

## Multi-Function LCD DISPLAY

<b>Supported Signals</b>	<b>Analog PC</b>	H Frequency Range : 20 ~ 82 kHz	
		V Frequency Range : 55 ~ 90 Hz	
		Maximum resolution : 1280x1024 75Hz	
		Maximum pixel rate : 135 MHz	
		DTV mode support : 720P, 1080i	
		Separate / Composite / SOG sync support	
	<b>Digital PC (DE Mode)</b>	H Frequency Range : 20 ~ 82 kHz	
		V Frequency Range : 55 ~ 75 Hz	
		Maximum resolution :1280x1024 75Hz	
		Maximum pixel rate : 135 MHz	
	<b>CVBS, S-Video</b>	NTSC-M PAL-B/G/H/I SECAM	
		<b>DVD Component</b>	480i
		<b>DTV Component</b>	1080i
720P			
480P			
<b>TV</b>	NTSC M Systems		
<b>Connection (Video)</b>	<b>TV</b>	ANT In (75 ohms coaxial cable)	
	<b>CVBS</b>	Composite RCA In (75 ohms 0.7/1.0 Vp-p)	
	<b>S-Video</b>	Mini Din-4Pin x 1 S-Video In	
	<b>Component</b>	RCA x 3 (75 ohms, 0.7/1.0 Vp-p) YPbPr : DTV / YCbCr : DVD	
	<b>PC Analog</b>	RGB D-Sub 15Pin (75 ohms $\pm 10\%$ , 0.7Vp-p $\pm 5\%$ )	
	<b>Component 2</b>	Y-Pb-Pr DVD RCA In (75 ohms , 0.7/1.0 Vp-p)	
	<b>PC DVI</b>	DVI- D	
	<b>Video Out</b>	RCA x 1(75 ohms, 0.7/1.0 Vp-p)	
<b>Connection (Audio)</b>	<b>TV</b>	Tuner SIF In	
	<b>PC / DVI</b>	RCA x 2, Stereo Sound In (500mVrms)	

## Multi-Function LCD DISPLAY

<b>Connection (Audio)</b>	<b>Video / S-Video</b>	RCA x 2, Stereo Sound In (500mVrms)
	<b>Component</b>	RCA x 2, Stereo Sound In (500mVrms)
	<b>Speaker Out</b>	2.5W(under 20 inch), 4W(Over 22 inch) x 2
	<b>Headphone Out</b>	Stereo Headphone Jack
	<b>Audio Out</b>	Stereo Headphone Jack
<b>TV</b>	<b>Tuning System</b>	NTSC-M
	<b>Tuning Supports</b>	Air / Cable (STD, HRC, IRC)
	<b>Tuning Range</b>	Air Ch : 2 ~ 69 Ch, Cable Ch : 1 ~ 125 Ch
	<b>Channel Save Capacity</b>	All Channel for Air and Cable (181 Ch)
	<b>Sound System</b>	BTSC (USA), A2 (KOREA), EIA-J (Japan)
	<b>MTS Support</b>	Mono, Stereo, SAP
<b>OSD</b>	<b>Color</b>	16 colors
	<b>OSD Type</b>	Graphic & Text
	<b>Language Support</b>	English, French, Spanish, Korean, Chinese, Japanese
	<b>Maximum OSD Size</b>	512 (H) x 360 (V)
<b>User Functions</b>	<b>Picture</b>	Contrast, Brightness, Sharpness, Color, Tint, Color Temp, PSM(Picture Status Memory) Phase, Frequency
	<b>Window</b>	Aspect Ratio, PIP Size, PIP Source, PIP Position, Sound Swap, H Position, V Position
	<b>Audio</b>	Balance, Auto Volume, MTS, Language (A/B), Stereo System, 5 Band Equalizer SSM(Sound Status memory)
	<b>Function</b>	Language, Auto Adjust, OSD Time Out, Sleep Timer
	<b>TV</b>	Auto Search, Manual Search, Auto Fine Tune, Fine Tune, Closed Caption, Caption Display V-Chip : TV Guidelines, MPAA Rating, Blocking On / Off, Change the Password
<b>Power</b>	<b>Supply Voltage</b>	DC 12V (17 inch), AC 220 / 110V 50~60Hz
	<b>Power Consumption</b>	-

## Multi-Function LCD DISPLAY
