

# STUNT GRANNY

## INSTRUCTION MANUAL

### Contents:

1 stunt granny  
6 cans  
1 ramp

1 controller  
6 boxes  
1 wet floor sign

### Using the Stunt granny

Switch on the granny (switch is on the bottom) and the controller (see diagram).

This item works via radio control. Be sure to be pointing the antenna of the controller in the general direction of the stunt granny.

Use the joystick on the controller to move the stunt granny in the desired direction. The stunt granny also has a TURBO button for forward movements. Press this button in conjunction with the direction keys for extra speed and to flip her onto her back wheels.

The stunt granny works best on smooth flat surfaces.

### Steering adjustment

On the bottom of the granny there is a small steering adjustment. If the Granny is not travelling in a straight line when you push forward on the controller, adjust this adjustment a little to the left or the right.

### Setting up the props

You can use the props to set up stunts and courses. Do NOT drive the granny off from any heights higher than the ramp itself – this will cause damage to the product.

Switch off the granny and the controller after use.

### Battery instructions:

Unscrew the battery compartment and slide off the cover to insert batteries.

For the granny, use 3 x 1.5V "AAA" batteries (not included).

For the controller, use 3 x 1.5V "AAA" batteries (not included).

Switch product off before inserting batteries.

Please read instructions before use.

Non-rechargeable batteries are not to be recharged.

Rechargeable batteries are to be removed from the toy before being charged.

Rechargeable batteries are only to be charged under adult supervision.

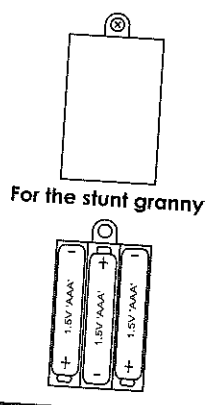

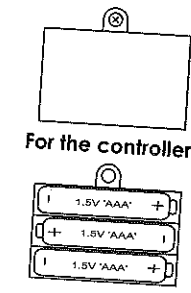

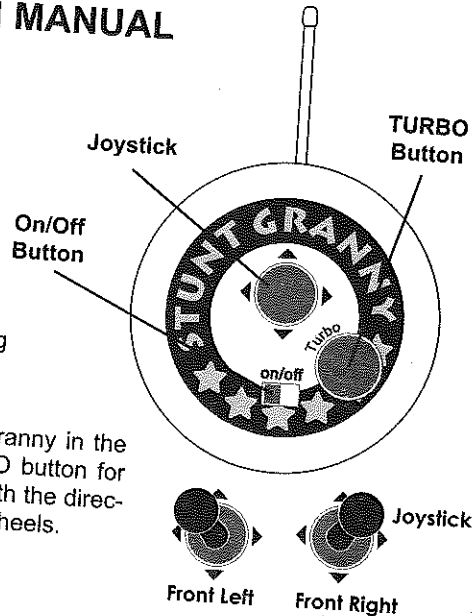

Different types of batteries or new and used batteries are not to be mixed.

Only batteries of the same or equivalent type as recommended are to be used.

Batteries are to be inserted with the correct polarity.

Exhausted batteries are to be removed from the product.

The supply terminals are not to be short-circuited.

**Warning!** Not suitable for children under 36 months due to small parts, which may present a choking hazard. Adult supervision required when changing batteries. Retain packaging for future reference.

**Stunt Granny EXTRA IM for US ORDER - 21/04/2008**  
App. Size: 105mm(W) x 148.5mm(H)

## INSTRUCTION MANUAL

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**NOTE:**

The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user authority to operate the equipment.

**NOTE:**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
