

Installation Guide

External labeling:

This radio module was tested and certified as a stand-alone device according to FCC Rules CFR 47, Part 15, Subpart C. If this device is installed in a manner such that the radio module FCC ID. label is not visible on the outside of the end product, a label must be placed on the end product with the following statement:

Contains FCC ID.: **CWU-NXR-MO**

This device complies with Part 15 of the FCC rules. Subject to the following two conditions:

1. This device must not cause harmful interference and
2. This device must accept all interference, including interference that interferes with the operation of this device.

USER GUIDE

The User manual for the end-device must contain the following statements in a prominent place in the manual.

"Modifications not expressly approved by the manufacturer will void the user's authority to operate the equipment."

"Warning: This device has been evaluated and found to be compliant with the FCC Rules for RF Exposure when the device is operated at a minimum separation distance of 2 cm. from the user and nearby persons. Operation of this device at closer distances should be avoided."
