

WELCOME TO THE TIVO EDGE FAMILY.

Say hello to TV heaven. TiVo EDGE puts all the smile-making, heart-swelling, nail-biting entertainment out there in one perfect place. When you can't wait to watch your favorites, just speak into the remote and TiVo EDGE searches across live TV, your recordings and even your streaming apps like Netflix, Hulu and more. TiVo EDGE also lets you skip commercials, works with your existing cable subscription and comes with tons of DVR space for an entertainment experience like no other. All the best shows and a better way to watch them. TiVo EDGE.

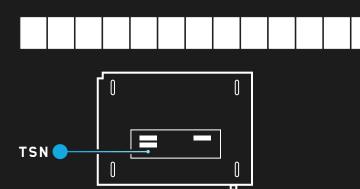

PLEASE DO NOT RETURN YOUR DEVICE TO THE RETAILER.

Having challenges with your TiVo EDGE? Don't sweat it! Take advantage of our 30-day money-back guarantee, and contact our friendly customer service agents at (877) 367-8486 (available weekdays: 7 a.m. to 6 p.m. PT, weekends: 8 a.m. to 5 p.m. PT). We can work together to make sure your TiVo story has a happy ending.

ACTIVATE YOUR TIVO SERVICE

If you bought your TiVo EDGE for cable at a retail location such as Best Buy or Amazon.com, activate your service by scanning the QR code on your TiVo EDGE box, visiting tivo.com/activate or by calling TiVo Customer Support at (877) 367-8486. You'll need your 15-digit TiVo Service Number (TSN) found on the bottom of your TiVo EDGE

WRITE IT HERE FOR EASY REFERENCE:

ORDER A CABLECARD

Your TiVo EDGE needs a multi-stream CableCARD decoder to receive cable programming. Pick up a CableCARD at your nearest cable service center or order one from your cable company. Start enjoying your TiVo EDGE mmediately, even without a CableCARD, You'll be able to watch nor encrypted TV channels and streaming apps until your CableCARD arrives.

CABLECARD ACTIVATION SUPPORT

To learn more about CableCARD setup, visit the Welcome Center and

During CableCARD installation, you'll be prompted to call your cable provider to activate or pair your CableCARD.

COMPLETE GUIDED SETUP

Turn on your TV. When you see the TiVo Welcome screen, you're ready to begin Guided Setup for your TiVo EDGE. Just follow the on-screen instructions.

If you don't see the TiVo Welcome screen, use the INPUT, SOURCE or TV/VIDEO button on your **TV remote** to select the correct video input for TiVo EDGE.

PROGRAM YOUR TIVO REMOTE The TV POWER, VOLUME, MUTE and INPUT buttons on your TiVo remote

can be programmed to control your TV and/or A/V receiver.

Press the **TIVO BUTTON** (2) to bring up the Home screen, select the menu icon (three horizontal bars) and select Settings. Locate Remote Control Settings and follow the on-screen remote control setup instructions to program your remote.

TIVO REMOTE BUTTONS

- 1 The **TIVO BUTTON** takes you to the Home screen, where you can find your shows or change your settings. 2 If programmed (see Step 4
- above), TV PWR turns your TV on or off. If programmed (see Step 4)
- above), use **INPUT** to select the input for your TV. **BACK** takes you back to the
- previous screen. Use the **ARROW** buttons to
- navigate the TiVo menus. In live TV, press **UP** for the mini guide, **DOWN** for SmartBar®, **LEFT** for your favorite channels, and **RIGHT** to see what's playing on other tuners.
- 6 Press and hold the ⊍ button to issue voice commands, like
- "Show me movies with Tom Hanks." Press and release the button to see more examples.
- above), **VOLUME** and **MUTE** control the volume on your TV or A/V receiver. **REPLAY** repeats the last eight seconds of the show. Press and

hold to jump to the beginning of

a show. When browsing, press to

jump to the first item in a strip.

7 If programmed (see Step 4

- The A, B, C and D buttons control viewing options (look for on-screen tips) and turn accessibility features on or off. Press and hold A for the screen reader, **B** for closed captioning, **C** for video description or **D** to remove a show from Continue Watching without deleting it. When tuned to a standard definition (SD) program, the **D** button can also be used as a shortcut to jump to the HD version of the same channel. **CLEAR** dismisses items
- appearing over video (including the guide), and deletes titles from My Shows and the To Do List.
- LIVE TV takes you to live TV, and additional presses of Live
- TV let you cycle through the other tuners. 12 INFO shows the info card while watching a show. Press
- this button again to make it disappear.
- 13 Press **OK** to choose menu items. Use **EXIT** to close certain apps

- 16 Press **RECORD** to record the show you're watching or to set up a recording for a show selected in the guide. While watching shows, use
- these buttons to control playback. Press **REWIND** and **FAST-FORWARD** up to three times for three speeds. In the TiVo menus, use **REWIND** and **FAST-FORWARD** to move quickly through strips. Press **PLAY** and then **OK** to start/stop QuickMode®.
- 18 This button allows you to play live or recorded TV in slow motion. Pressing this button
- while on the main menu turns the live video window on/off. 19 **ADVANCE** moves forward in 30-second increments; press
- and hold to jump to the end of the show. Or, press **ADVANCE** to jump to the next tick mark when fast-forwarding or rewinding.
- 20 Press **SKIP** to jump past commercial breaks when you see the on-screen tip or hear the SkipMode® chime. (Available for SkipMode-enabled shows.)
- 21 Press the **NETFLIX** button to

22 ENTER/LAST returns to the

last channel viewed on a tuner.

launch the Netflix app.

or to watch full-screen video on the Home screen. 15 **GUIDE** takes you to the

on-screen program guide.

PRODUCT FEATURES

With all the amazing things your new TiVo EDGE can do, you can make the most of your TV time thanks to our fan-favorite features, including:

CONTROL

VOICE CONTROL

Press and hold the U button to issue voice commands.³ Search for shows ("Show me what's on tonight" or "Find The Good Place"), launch apps ("Launch HBO GO") and go to TiVo screens ("Open the Guide" or "Take me Home"). For more commands and information, visit tivo.com/voicecontrol

SKIPMODE

TiVo EDGE allows you to skip entire commercial breaks at the press of a button on certain recorded shows.² Just press the **SKIP** button to jump to the end of the commercial break and resume watching instantly. Or, skip commercials without lifting a finger by turning on Auto SkipMode in Settings > User Preferences.

SMART HOME

Unlock the hands-free potential of Alexa by connecting TiVo EDGE via WiFi to your Amazon Echo.

DISCOVER

ONESEARCH"

Simultaneously search live TV, your recorded shows and streaming apps to easily find and watch what you're looking for. Use a voice command to search (press and hold the 🕕 button), or choose Search from the Home screen.

ONEPASS™

OnePass gathers every available episode of a series, every available game or match from a specific team, or every available sporting event in a league (e.g., NHL, CFL, USL), and adds them right to your My Shows list to watch instantly. Just find what you want to watch by searching or browsing, then select Create a OnePass.

QUICKMODE

It's not fast-forward, it's QuickMode! QuickMode lets you watch a recorded show 30% faster, while also letting you clearly hear what everyone is saying. While watching a recorded show, or if you've rewound live TV, press **PLAY** to bring up the status bar, then press **OK** to start QuickMode. Press **OK** again to resume watching at normal speed.

Learn more at tivo.com/howto

AUTO PLAY NEXT EPISODE

When you reach the end of an episode, the next episode in a series will play automatically. A panel will be displayed at the bottom of the screen containing a countdown timer along with additional options. When the timer runs out, the next episode will begin. Press **OK** to start playing the next episode sooner, or press the **RIGHT** arrow to watch from a different video provider.

do⊳ QUICKVIEW®

Want to see what else is on without missing a moment of what you're watching? Simple. While watching live TV or a recorded show, press **UP** to see the mini guide, **DOWN** to view SmartBar, LEFT to see what's on your favorite channels, and RIGHT to see what's on other tuners.

MOBILE

TIVO APP FOR IOS AND ANDROID

TiVo's mobile app for tablets and smartphones lets you search, schedule recordings, set up OnePass selections, and manage your TiVo EDGE from anywhere. And, the TiVo app even lets you take your shows wherever you go.4 We'll soon be making the TiVo app available for your streaming player, so no matter how you're watching, you'll be watching it better with TiVo. Download the

TIVO ONLINE™

TiVo Online delivers the convenience of TiVo to your computer's browser. Watch recorded shows. Enjoy live TV. Launch streaming apps at the push of a button. And when you're away, TiVo Online makes it easy to find your programs streaming online, create OnePass selections, manage your settings and just see what's on TV tonight. Visit TiVo Online at online.tivo.com to get started.

MULTI-ROOM SOLUTION

TIVO MINI™ AND TIVO MINI VOX™

Your new TiVo EDGE works with the TiVo Mini and TiVo Mini VOX to deliver Tru Multi Room™ control, giving you the same TiVo experience on additional TVs in your home.⁵ Access live TV, recorded shows, streaming content from Netflix, Prime Video and more. Plus, you get all your favorite TiVo features, like voice control, SkipMode, QuickMode, pause and rewind.

The TiVo app for iOS supports Apple AirPlay mirroring, so you can stream shows from the app to your Apple TV.

Footnotes

ontent. Availability of streaming content from third-party sources is sub or extend any of the above-set forth time periods, which continue to be calculated from the purchase date of your original TiVo EDGE for cable. Therefore, when the warranty on your original TiVo EDGE for cable expires, the warranty on the to change, and certain third-party fees may apply. Streaming apps may not be available in all regions. 3 SkipMode feature may not be available in all regions or for all recorded shows.

A Compatible tablets and mobile devices consist solely of an iPad*, iPhone* or iPod touch* device running iOS 9.0 or later, or an Android** mobile device cunning 4.1 or above with a non-Intel or AMD chipset (sold separately). Not all recorded content can be streamed or downloaded to a laptop, tablet or mobile device (due to copyright protection assigned by content provider and/or other technical limitations). Some recorded content can only be streamed/downloaded to your laptop, tablet or mobile device while you are on the same network as your TiVo EDGE for cable. Number of concurrent in-home streams depends on your network connection and the number of available turners on your TVO EDGE for cable. Out-of-home streaming/downloading (a) will support streaming to only one of your devices at a time and (b) may not be available for all recorded content in all areas. 5 Streaming within the home from TiVo EDGE for cable to another TV requires a separately purchased TiVo Mini. TiVos IPhone & iPad apps also allow AirPlay Mirroring to Apple TV. TiVo EDGE for cable works optimally with up to four (4) TiVo Minis. A network adapter (sold separately) may be required.
