Pairing Device

Bluetooth pairing (Mobile Device / Laptop PC / Gaming Console):

• Press Power button for 3 seconds to enter pairing mode.

• Turn on bluetooth in your device and select xxxxxxx.

（If prompt for password enter "0000"）

Remark:

While the Bluetooth stereo speaker is turned on, it will automatically connect to the last connected device. For pairing with other device, please turn off Bluetooth function of the last connected device first then pair with the new device.
