Subject: Modification to User Manual for FCCID:V8YFW181RG38002W

In order to operate effectively the RG211 WiMAX Indoor CPE requires installation and configuration by trained personnel.

Correct installation also optimises receive signal strength and system performance.

The User manual modified as follows:

The following additional paragraph will be added to page 3:

RG211-3.8 CPE compliance with FCC 47CFR90Z:
RG211-3.8 (FCC ID: V8YFW181RG38002W) is certified by the FCC as
Fixed Equipment and may only be installed by suitably trained personnel
acting on behalf of the FCC license holder.

"Location selection" section on page 20 will be removed.

"Mounting on Horizontal Surface" section on page 21 will be removed.

Yours Sincerely

Charlie Blackham
Director
