## Product Registration

Targus recommends that you register your Targus accessory shortly after purchasing it. Go to:

<http://www.targus.com/registration.asp>

You will need to provide your full name, email address, country of residence and product information.

## Warranty

Targus warrants this product to be free from defects in materials and workmanship for one year. If your Targus accessory is found to be defective within that time, we will promptly repair or replace it. This warranty does not cover accidental damage, wear and tear, or consequential or incidental loss. Under no conditions is Targus liable for loss of, or damage to devices; nor loss of, or damage to, programs, records, or data; nor any consequential or incidental damages, even if Targus has been informed of their possibility. This warranty does not affect your statutory rights.

## Regulatory Compliance

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

## Targus Wireless Optical Mouse

### FCC Statement Tested to Comply

This equipment has been tested and found to comply with the limits for a Class B digital □ device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable □ protection against harmful interference in a residential installation. This equipment generates, □ uses and can radiate radio frequency energy and, if not installed and used in accordance □ with the instructions, may cause harmful interference to radio communications. However, □ there is no guarantee that interference will not occur in a particular installation. If this □ equipment does cause harmful interference to radio or television reception, which can be □ determined by turning the equipment off and on, the user is encouraged to try to correct the □ interference by one or more of the following measures:□

- Reorient or relocate the receiving antenna.□
- Increase the separation between the equipment and receiver.□
- Connect the equipment into an outlet on a circuit different from that to which the receiver is □ connected.□
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two □ conditions: (1) this device may not cause harmful interference and (2) this device must □ accept any interference received, including interference that may cause undesired operation

### Declaration of Conformity

Hereby, Targus, declares that this device is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.
