with all components operating within  
manufacturer thermal limits  
Dimensions:  
2.035" x 1.442" x 4.125"  
Communication frequency: 915 MHz  
Sound level: 95 dB  
Understanding your device:

LED on constant	Unit receiving power
LED off, Horn on	Unit in alarm
LED off, Horn off	Malfunction

### TROUBLESHOOTING

#### Problem

Wireless System Gateway does not recognize the Siren during setup

#### Solution

- Position the Siren in closer proximity to your Gateway and try again.
- Ensure that there are no other wireless devices interfering with the Siren. The Siren transmits on 915 MHz frequency.

#### Problem

Device does not turn on/off when specified

#### Solution

- Ensure that the Siren has been registered properly with the Wireless System Gateway by logging into your ONELINK program and reviewing the Devices list.
- Place the Siren in another location closer to the Wireless Gateway.
- Consider adding a ONELINK Wireless Signal Repeater to increase device signal communication range.

### FAQ

#### How far away can the Siren be placed from my Wireless Gateway?

Typically 65 feet (20 meters).

#### Can I place the Siren in a different room than my Wireless Gateway?

Yes, the Siren and Wireless Gateway use radio frequencies to communicate with each other. These frequencies can go through objects like walls, ceilings, and floors.

#### Can I use the Siren outdoors?

No, this device is intended for indoor use only.

### REGULATORY INFORMATION

#### FCC Notices:

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**Warning:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

#### Model: OLSIREN

#### ICES-003 Statement

This Class B digital apparatus complies with Canadian ICES-003.

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

#### Model: OLSIRENA

### LIMITED WARRANTY ONELINK Wireless Siren

BRK Brands, Inc., ("BRK") the maker of First Alert® brand products warrants that for a period of one year from the date of purchase, this product will be free from defects in material and workmanship. BRK, at its option, will repair or replace this product or any component of the product found to be defective during the warranty period. Replacement will be made with a new or remanufactured product or component. If the product is no longer available, replacement may be made with a similar product of equal or greater value. This is your exclusive warranty.

This warranty is valid for the original retail purchaser from the date of initial retail purchase and is not transferable. Keep the original sales receipt. Proof of purchase is required to obtain warranty performance. BRK dealers, service centers, or retail stores selling BRK products do not have the right to alter, modify or any way change the terms and conditions of this warranty.

This warranty does not cover normal wear of parts or damage resulting from any of the following: negligent use or misuse of the product, use on improper voltage or current, use contrary to the operating instructions, disassembly, repair or alteration by anyone other than BRK or an authorized service center. Further, the warranty does not cover Acts of God, such as fire, flood, hurricanes and tornadoes.

BRK shall not be liable for any incidental or consequential damages caused by the breach of any express or implied warranty. Except to the extent prohibited by applicable law, any implied warranty of merchantability or fitness for a particular purpose is limited in duration to the duration of the above warranty. Some states, provinces or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state or province to province.

#### How to Obtain Warranty Service

For customer service, technical support, and warranty claims, contact our Customer Support Center at 1-800-323-9005 Monday - Friday 7:30 am to 5:00 pm Central Standard Time.
