

Quick Start Guide [DRAFT]

WHAT'S IN THE BOX

- Device
- USB Cable

CONNECTING DEVICE

1. Your Device will be partially charged when you receive it. To charge your Device, connect one end of the included USB cable into your device and the other end into a 5W or higher USB power adapter that is certified for your region.
2. Connect the power supply into a nearby power outlet.

SETUP

Download the app

1. Turn on Bluetooth for your smartphone.
2. Download the latest version of the app from the app store. The app helps you get more out of your device. It's where you set up features of your device

Set up your device using the app

1. Open the app, then open the device case.
2. Tap the notification at the top of the app, then follow the instructions to set up your device. If the notification doesn't appear in the app, tap the devices icon in the lower right of the app to get started.

IMPORTANT PRODUCT INFORMATION

For safety, compliance, recycling, and other important information regarding your Device, please refer to the Legal & Compliance section on the Settings menu of your Device.
