Rackmount Enclosures

Quiet computing comes to rackmounts

Antec's Studio Series rackmount enclosures offer rock-solid, lights-out performance for professional audio recording and anyone requiring rackmount chassis ruggedness coupled with Antec's famous quietness. Available in 3U and 4U sizes, these cases feature special 450-Watt, whisper-quiet power supplies, plus 92mm and 120mm fans for cool, quiet operation. Cooling is further enhanced by a unique segregated air-flow design. Backed by Antec's legendary 3-year warranty on all parts and labor, our Studio Series lets you power up, tune in, and create!
