

About the iTunes Store

Use the iTunes Store to add content to iPad. You can browse and purchase music, TV shows, audiobooks, and alert tones. You can also buy and rent movies, or download and play podcasts or iTunes U collections. You need an Apple ID in order to purchase content. See “Store settings” on page 96.

Note: The iTunes Store may not be available in all regions, and iTunes Store content may vary across regions. Features are subject to change.

To access the iTunes Store, iPad must have an Internet connection. See “Network” on page 125.

Finding music, videos, and more

Browse content: Tap one of the content categories, such as Music or Videos.

Search for content Tap the search field and enter one or more words, then tap Search.

Buy, review, or tell a friend about an item Tap an item in a list to see more details on its Info screen.

Explore artist and friend recommendations Tap Ping. See “Following artists and friends” on page 91.

Purchasing music, audiobooks, and tones

When you find a song, album, tone, or audiobook you like in the iTunes Store, you can purchase and download it. You can preview an item before you purchase it, to make sure it's what you want.

Preview a song, tone, or audiobook: Tap the item and follow the onscreen instructions.

Redeem a gift card or code	Tap Music, then tap Redeem at the bottom of the screen and follow the onscreen instructions. While you're signed in, your remaining store credit appears with your Apple ID information at the bottom of most iTunes Store screens.
Complete an album	While viewing any album, tap the discounted price for the remaining songs, below Complete My Album (not available in all areas). To see offers for completing other albums, tap Music, then tap Complete My Album Offers.
Download a previously purchased item	Tap Purchased. You can also download an item while browsing; just tap Download where you usually see the price.
Automatically download purchases made on other iOS devices and computers	Go to Settings > Store, then turn on the kinds of purchases you want to automatically download.

Purchasing or renting videos

The iTunes Store lets you purchase and download movies, TV shows, and music videos. Some movies can also be rented for a limited time. Video content may be available in standard-definition (SD) format, high-definition (HD) format, or both.

Purchase or rent a video: Tap Buy or Rent.

Once you purchase an item, it begins downloading and appears on the Downloads screen. See "Checking download status" on page 92.

Preview a video	Tap Preview.
View the preview on a TV with AirPlay and Apple TV	When the preview starts, tap  and choose Apple TV. See "Using AirPlay" on page 37.

Following artists and friends

Use Ping to connect with the world's most passionate music fans. Follow favorite artists to learn about new releases and upcoming concerts and tours, get an insider's perspective through their photos and videos, and learn about their musical influences. Read friends' comments about the music they're listening to, and see what they're buying and which concerts they plan to attend. Also, express your musical likes and post comments for your own followers.

To create and explore musical connections, you need to create a Ping profile.

Create your Ping profile: Open the iTunes application on your Mac or PC, click Ping, and follow the onscreen instructions.

Follow an artist	Tap Follow on the artist's profile page.
Follow a friend	Tap People, enter your friend's name in the search field, then tap Follow. When you follow someone, they don't automatically follow you. In your profile, you can choose to approve or decline requests to be followed as they arrive, or simply accept all new followers without review (the default).
Share your thoughts	As you browse albums and songs, tap Post to comment on a piece of music, or tap Like just to say you like it. Your friends will see your thoughts in their Ping Activity feed.
Share concert plans	Tap Concerts on your profile page to see upcoming concerts by the artists you follow, and see which of your friends are going to a concert. Tap Tickets to buy your own ticket, or tap I'm Going to let others know you'll be there too. (Not available in all areas.)

Streaming or downloading podcasts

You can listen to audio podcasts or watch video podcasts streamed over the Internet from the iTunes Store. You can also download audio and video podcasts.

Stream a podcast: Tap Podcasts to browse podcasts in the iTunes Store.

Video podcasts are marked with a video icon .

Download a podcast	Tap the Free button, then tap Download. Downloaded podcasts appear in the Podcasts playlist.
Listen to or watch a podcast you've downloaded	In Music, tap Podcasts, then tap the podcast. Video podcasts also appear in your list of videos.

Checking download status

You can check the Downloads screen to see the status of in-progress and scheduled downloads, including purchases you pre-order.

See the status of items being downloaded: Tap Downloads.

Pre-ordered items don't download automatically when they're released. Return to the Downloads screen to begin the download.

Download a pre-ordered item	Tap the item, then tap  .
------------------------------------	--

If a download is interrupted, the download resumes when there's an Internet connection. Or, if you open iTunes on your computer, iTunes completes the download to your iTunes library (if your computer is connected to the Internet and signed in using the same Apple ID).

Viewing account information

To view iTunes Store information for your Apple ID on iPad, tap your Apple ID (at the bottom of most iTunes Store screens). Or go to Settings > Store and tap View Apple ID. You must be signed in to view your account information. See "Store settings" on page 96.

Verifying downloads

You can use iTunes on your computer to verify that all the music, videos, apps, and other items you bought from the iTunes Store or App Store are in your iTunes library. You might want to do this if a download was interrupted.

Verify your downloads: In iTunes on your computer, go to Store > Check for Available Downloads.

To see all of your purchases, sign in using your Apple ID, go to Store > View My Account, and click Purchase History.

About the App Store

You can search for, browse, review, purchase, and download apps from the App Store directly to iPad.

Note: The App Store may not be available in all countries or regions, and App Store content may vary by country or region. Features are subject to change.

To browse the App Store, iPad must be connected to the Internet. See “Network” on page 125.

To purchase apps, you need an Apple ID. See “Store settings” on page 96.

Check for app updates.

Finding and downloading apps

Browse the featured selections to see new, notable, or recommended apps, or browse Top 25 to see the most popular apps. If you're looking for a specific app, use Search.

Browse the App Store: Tap Featured, Categories, or Top Charts.

Browse using Genius	Tap Genius to see a list of recommended apps based on what's already in your app collection. To turn Genius on, follow the onscreen instructions. Genius is a free service, but you need an Apple ID.
Search for apps	Tap Search, tap the search field and enter one or more words, then tap Search.
Email a link to an app's Info page in iTunes	Tap "Tell a Friend."
Send an app to someone as a gift	Tap "Gift This App," then follow the onscreen instructions.
Report a problem	Tap "Report a Problem." Select a problem from the list or type optional comments, then tap Report.
Purchase and download an app	Tap the price (or tap Free), then tap Buy Now. If you already purchased the app, "Install" appears instead of the price on the Info screen. You won't be charged if you download it again.
Redeem a gift card or code	Tap Redeem near the bottom of the Featured screen, then follow the onscreen instructions.
See the status of downloads	After you begin downloading an app, its icon appears on the Home screen and shows a progress indicator.
Download a previously purchased app	Tap Purchased, find the app in the list, then tap Download. You can also download an item while browsing; just tap Download where you usually see the price.
Automatically download purchases made on other iOS devices and computers	Go to Settings > Store, then turn on the kinds of purchases you want to automatically download.

Deleting apps

You can delete apps you install from the App Store. If you delete an app, data associated with the app is also deleted.

Delete an App Store app: Touch and hold the app icon on the Home screen, until the icons start to jiggle, then tap . Press the Home button  when you finish deleting apps.

For information about resetting iPad to erase every app and all of your data and settings, see "Reset" on page 129.

Store settings

Use Store settings to sign in using an Apple ID, create a new Apple ID, or edit an existing one. If you have more than one Apple ID, you can use Store settings to sign out and sign in using another Apple ID.

For iTunes Store terms and conditions, go to www.apple.com/legal/itunes/ww/.

Sign in using an Apple ID: Go to Settings > Store, tap Sign In, then tap Use Existing Apple ID and enter your Apple ID and password.

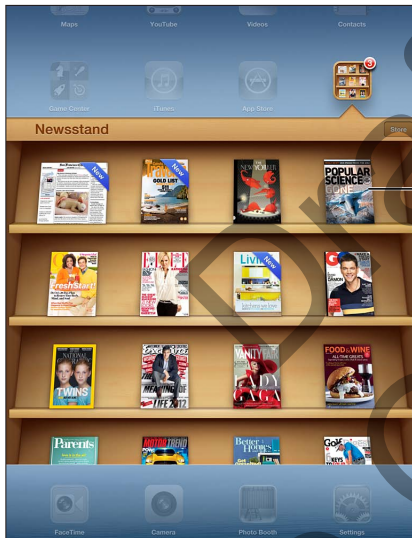

View and edit your account information	Go to Settings > Store, tap your Apple ID, then tap View Apple ID. Tap an item to edit it. To change your password, tap the Apple ID field.
Sign in using a different Apple ID	Go to Settings > Store, tap your account name, then tap Sign Out.
Create a new Apple ID	Go to Settings > Store, tap Sign In, then tap Create New Apple ID and follow the onscreen instructions.
Automatically download purchases	Go to Settings > Store, then turn on the types of purchases, such as Music or Books, that you want to automatically download to iPad. You can also turn off automatic updating of Newsstand apps.
Download purchases using the cellular network	Go to Settings > Store, then turn Use Cellular Data on or off. Downloading purchases over the cellular network may incur charges from your carrier. Newsstand apps update only when iPad is connected to a Wi-Fi network. See Chapter 21, "Newsstand," on page 97.

About Newsstand

Newsstand organizes your magazine and newspaper app subscriptions with a shelf that lets you access your publications quickly and easily. Newsstand apps appear on the shelf, and as new issues become available, a badge lets you know they're ready for reading. They're delivered to iPad automatically.

Touch and hold a publication to rearrange.

Find Newsstand apps: Tap Newsstand to reveal the shelf, then tap Store.

When you purchase a newsstand app, it's added to your shelf for easy access. After the app is downloaded, open it to view its issues and subscription options.

Subscriptions are In-App purchases, billed to your Apple ID account. See "Store settings" on page 96.

Pricing varies, and Newsstand apps may not be available in all regions or countries.

Reading the latest issues

When a newspaper or magazine has a new issue, Newsstand automatically downloads it when connected to Wi-Fi and notifies you by displaying a badge on the app icon. To start reading, open Newsstand and look for apps with a “New” banner.

Each app has its own method of managing issues. For information about how to delete, find, or work with individual issues, see the app’s help information or App Store listing. You can’t remove a Newsstand app from the shelf, or put other types of apps on the shelf.

Turn off automatic downloads: Go to Settings > Store and turn automatic downloads off for the publication.

About iBooks

iBooks is a great way to read and buy books. Download the free iBooks app from the App Store, and then get everything from classics to bestsellers from the built-in iBookstore. Once you download a book, it's displayed on your bookshelf.

To download the iBooks app and use the iBookstore, you need an Internet connection and an Apple ID. If you don't have an Apple ID, or if you want to make purchases using a different Apple ID, go to Settings > Store. See "Store settings" on page 96.

Note: The iBooks app and the iBookstore may not be available in all languages or areas.

Using the iBookstore

In the iBooks app, tap Store to open the iBookstore. From there, you can browse featured books or bestsellers, and find books by author or topic. When you find a book you like, you can purchase and download it.

Note: Some features of the iBookstore may not be available in all locations.

Purchase a book: Find a book you want, tap the price, then tap Buy Book, or Get Book, if it's free.

Get information about a book	You can read a summary of the book, read reviews, and download a sample of the book before buying it. After buying the book, you can write a review of your own.
Download a previous purchase	Tap Purchased, or tap Download where you usually see the price.
Automatically download purchases made on other iOS devices or computers	Go to Settings > Store, then turn on the kinds of purchases you want to automatically download.

Syncing books and PDFs

Use iTunes to sync your books and PDFs between iPad and your computer, and to buy books from the iTunes Store. When iPad is connected to your computer, the Books pane lets you select which items to sync. You can also add DRM-free ePub books and PDFs to your iTunes library. Books in PDF and ePub format are available on the web.

Sync a book or PDF to iPad: In iTunes on your computer, choose File > Add to Library and select a .pdf, .epub, or .ibooks file. Connect iPad to your computer and sync.

To add a book or PDF to iBooks without syncing, email the file to yourself from your computer. Open the email message on iPad, then touch and hold the attachment and choose “Open in iBooks” from the menu that appears.

Reading books

Reading a book is easy. From the bookshelf, tap the book you want to read. If you don’t see the book you’re looking for, tap Collections to go to other collections.

Read a book while lying down: Use the orientation lock to prevent iPad from rotating the screen when you turn iPad. See “Viewing in portrait or landscape” on page 15.

Each book has a particular set of features, based on its contents and format. Some of the capabilities described below might not be available in the book you’re reading. For example, printing is available only for PDFs, and if a book doesn’t include a recorded narration, you won’t see the read aloud icon.

Show the controls	Tap near the center of the page.
Turn the page	Tap near the right or left margin of the page, or flick left or right. To change the direction the page turns when you tap the left margin, go to Settings > iBooks > Tap Left Margin.

See all your notes	Depending on the book, either tap  and then tap Notes, or tap  . See “Studying notes and vocabulary lists” on page 102.
Enlarge an image	Double-tap the image to zoom in, or in some books, pinch to enlarge the image.
Go to a specific page	Use the page navigation controls at the bottom of the screen. Or, tap  and enter a page number, then tap the page number in the search results.
Search in a book	Tap  . <i>To search the web</i> , tap Search Web or Search Wikipedia. Safari opens and displays the results.
Search for other occurrences of a word or phrase	Double-tap a word, use the grab points to adjust the selection, then tap Search in the menu that appears.
Look up a word	Double-tap a word, use the grab points to adjust the selection, then tap Define in the menu that appears. Definitions are not available for all languages.
Listen to a book	Tap  . This feature is not available for all books. If you have a visual impairment, you can also use VoiceOver to speak the text of almost any book. See “About VoiceOver” on page 107.

iBooks stores your collections, bookmarks, notes, and current page information using your Apple ID, so you can read books seamlessly across all your iOS devices. iBooks saves information for all of your books when you open or quit the app. Information for individual books is also saved when you open or close the book.

Turn syncing on or off: Go to Settings > iBooks.

Some books might access audio or video that’s stored on the web.

Turn online audio and video access on or off: Go to Settings > iBooks > Online Audio & Video.

Note: If iPad has a cellular data connection, playing these files may incur carrier charges.

Changing a book's appearance

Some books let you change the type size, font, and page color.

Change the brightness: Tap near the center of a page to display the controls, then tap . If you don't see , tap  first.

Change the font or type size	Tap near the center of a page to display the controls, then tap  . Tap Fonts to select a typeface. Not all books support changing the font. Some books allow you to change the type size only when iPad is in portrait orientation.

Use the full screen to display a book	Tap near the center of a page to display the controls, tap  , tap Theme, then turn on Full Screen. Some books automatically fill the screen.
Turn justification and hyphenation on or off	Go to Settings > iBooks. Some books and PDFs can't be justified or hyphenated.

Studying notes and vocabulary lists

In books that support it, you can use notes view to review all of your highlights and notes as cards. To quickly locate your notes, view them by chapter or search their contents.

View your notes: Tap .

View notes by chapter	Badges in the chapter list indicate the number of notes and highlights you've added to each chapter. If you don't see the chapter list, tap the Chapter button. Tap a chapter to see its notes. Tap an item in the list to see the note or highlight in context.
Search all notes	In notes view, enter a word or phrase in the search field. If you don't see the search field, tap the Chapters button. Chapters with matching notes and highlights are shown. Tap a chapter to see its notes.
Review notes and vocabulary as study cards	Tap Study Cards. The front of each card displays the text you highlighted. Swipe to move between cards. If a card has notes, indicated by  , tap the card to turn it over. Tap  to select which highlights are displayed, or to shuffle the cards. If the chapter includes a vocabulary list, you can also include it in your cards.
Email your notes	When viewing notes, tap  . Select the notes that you want to share, then tap Email.
Delete notes	When viewing notes, tap  . Select the notes that you want to delete, then tap Delete.

Interacting with multimedia

Some books have interactive elements, such as movies, diagrams, presentations, galleries, 3D objects, and chapter reviews. To interact with a multimedia object, tap, swipe, or pinch it. For example, with a presentation, you can tap  to start it, then tap to see each screen. To view an element full-screen, pinch two fingers apart. When you finish, pinch to close it.

Printing or emailing a PDF

You can use iBooks to send a copy of a PDF via email, or to print all or part of the PDF to a supported printer.

You can email or print PDFs, but not books.

Email a PDF: Open the PDF, then tap  and choose Email Document. A new message appears with the PDF attached. When you finish the message, tap Send.

Print a PDF

Open the PDF, then tap  and choose Print. Select a printer, the page range, and the number of copies, then tap Print. See "Printing" on page 33.
