

Apple iPad Pro

Before using iPad, review the user guide at help.apple.com/ipad. You can also use Apple Books to download the guide (where available) or, to view the user guide on iPad, use the Safari bookmark. Retain documentation for future reference.

Safety and Handling

See “Safety, handling, and support” in the *iPad User Guide*.

Exposure to Radio Frequency

On iPad, go to Settings > General > About > Legal > RF Exposure. Or go to www.apple.com/legal/rfexposure.

Battery

Don't attempt to replace the iPad battery yourself—you may damage the battery, which could cause overheating, fire, and injury. The lithium-ion battery in your iPad should be serviced or recycled by Apple or an authorized service provider, and must be recycled or disposed of separately from household waste. Dispose of batteries according to your local environmental laws and guidelines. For information about Apple lithium-ion batteries and battery service and recycling, go to www.apple.com/batteries/service-and-recycling.

Medical Device Interference

iPad contains magnets that may interfere with medical devices. See “Important safety information” in the *iPad User Guide*.

Avoiding Hearing Damage

To prevent possible hearing damage, do not listen at high volume levels for long periods. More information about sound and hearing is available online at www.apple.com/sound and in “Important safety information” in the *iPad User Guide*.

Apple One-Year Limited Warranty Summary

Apple warrants the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. Apple does not warrant against normal wear and tear, nor damage caused by accident or abuse. To obtain service, call Apple or visit an Apple Store or an Apple Authorized Service Provider—available service options are dependent on the country in which service is requested and may be restricted to the original country of sale. Call charges and international shipping charges may apply, depending on the location. Subject to the full terms and detailed information on obtaining service available at www.apple.com/legal/warranty and support.apple.com, if you submit a valid claim under this warranty, Apple will either repair, replace, or refund your iPad at its own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.

For Australian Consumers: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. Apple Pty Ltd, PO Box A2629, Sydney South, NSW 1235. Tel: 133-622.

For Brazilian Consumers: Warranty benefits are in addition to rights provided under local consumer laws, except for the 1-year warranty that already comprises the full term of legal warranty provided by the Brazilian consumer defense code/regulations.

Regulatory

Regulatory information, certification, and compliance marks specific to iPad are available on iPad. Go to Settings > General > Regulatory. Additional regulatory information is in “Safety, handling, and support” in the *iPad User Guide*.

ISED Canada and FCC Compliance Statement

This device complies with ISED Canada license-exempt RSS standard(s). This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This product has demonstrated EMC compliance under conditions that included the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, televisions, and other electronic devices.

CAN ICES-3 (B)/NMB-3(B)

ENERGY STAR® Compliance Statement

iPad meets the ENERGY STAR guidelines for energy efficiency. Reducing energy consumption saves money and helps conserve valuable resources. For more information about ENERGY STAR, go to www.energystar.gov.

To save energy, iPad is set to lock after two minutes of user inactivity. To change this setting, go to Settings > Display & Brightness > Auto-Lock. To unlock iPad, press the Home button.

EU Compliance Statement

Apple Inc. hereby declares that this wireless device is in compliance with Directive 2014/53/EU.

A copy of the EU Declaration of Conformity, including device frequency bands and maximum radio-frequency power, is available at www.apple.com/euro/compliance. Apple's EU representative is Apple Distribution International, Hollyhill Industrial Estate, Cork, Ireland.

Use Restriction

This device is restricted to indoor use when operating in the 5150 to 5350 MHz frequency range. This restriction applies in: AT, BE, BG, CH, CY, CZ, DE, DK, EE, EL, ES, FI, FR, HR, HU, IE, IS, IT, LI, LT, LU, LV, MT, NL, NO, PL, PT, RO, SE, SI, SK, TR, UK.

European Union—Disposal Information

The symbol above means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment.
