

iPhone Info

iPhone User Guide Go to www.apple.com/support. On iPhone, open Safari, then tap . Also available for free in the iBookstore.

Safety and Handling See "Safety, Handling, & Support" in the *iPhone User Guide*.

Exposure to Radio Frequency Energy On iPhone, go to Settings > General > About > Legal > RF Exposure.

Battery The lithium-ion battery in iPhone should be replaced only by Apple or an Apple Authorized Service Provider, and must be recycled or disposed of separately from household waste. For information about battery recycling and replacement, go to www.apple.com/batteries.

Hearing Aid Compatibility (HAC) Go to www.apple.com/support/hac, or see the *iPhone User Guide*.

Avoiding Hearing Damage To prevent possible hearing damage, do not listen at high volume levels for long periods. More information about sound and hearing is available online at www.apple.com/sound and in the *iPhone User Guide*.

Apple One-Year Limited Warranty Summary Apple warrants the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. Apple does not warrant against normal wear and tear, nor damage caused by accident or abuse. To obtain service, call Apple, or visit an Apple-owned retail store or an Apple Authorized Service Provider—available service options depend on the country in which service is requested. iPhone service may be restricted to the original country of sale. Call charges and international shipping charges may apply. Full terms and detailed information about obtaining service are available at www.apple.com/legal/warranty and www.apple.com/support. You may read and email a copy of the warranty to yourself during activation. Warranty benefits are in addition to rights provided under local consumer laws.

Regulatory Regulatory information, certification, and compliance marks specific to iPhone are available on iPhone. Go to Settings > General > About > Legal > Regulatory. Additional regulatory information is included in "Safety, Handling, & Support" in the *iPhone User Guide*.

FCC Compliance Statement This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Important: Changes or modifications to this product not authorized by Apple could void the electromagnetic compatibility (EMC) and wireless compliance and negate

your authority to operate the product. This product has demonstrated EMC compliance under conditions that included the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, televisions, and other electronic devices.

Canadian Compliance Statement This Class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

EU Compliance Statement This device complies with the EU EMF Directive 1999/519/EC and can be used in the European Community.

A copy of the EU Declaration of Conformity is available online at www.apple.com/euro/compliance.

This device may contain radios capable of transmitting in the 5150 to 5350 MHz frequency range, for example on 5 GHz Wi-Fi networks. This frequency range is restricted to indoor use only.

Japan Compliance Statement—VCCI Class B Statement

情報処理装置等電波障害自主規制について

この装置は、情報処理装置等電波障害自主規制協議会（VCCI）の基準に基づくクラス B 情報技術装置です。この装置は家庭環境で使用されることを目的としていますが、この装置がラジオやテレビジョン受信機に近接して使用されると、受信障害を引き起こすことがあります。

取扱説明書に従って正しい取扱をしてください。
