

Doodle Jump | ICE | Ticket Redemption

Doodle Jump is one of the highest ranking apps on iTunes since its release with over 15 million downloads. ICE have transformed this global smash hit into an amazing video redemption game that will bring kids and parents together to see who can guide the Doodler to the super bonus!

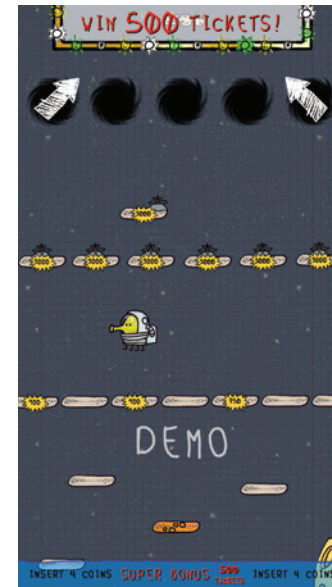

1 player | Ticket redemption | 42" vertical HD screen | Doodler vacuum formed marquee | LED lit sleek cabinet | Optional gift card vender

Gameplay

The aim of Doodle Jump is to guide the Doodler to jump left and right on to the platforms and get him as high as possible. Players can get a short boost from various objects, such as propeller hats and jet packs. There are also aliens and monsters that the Doodler must avoid! Players must reach the top to be in with a chance of winning the super bonus.

Move the Doodler using the sliding joystick

42" vertical HD monitor
