Superbooth | Superbooths Inc. | Photo Booth

Superbooth has created the world's first interactive photo booth. Unlike any other product in the market today Superbooth includes superb surround sound, pulsating lights and a high powered studio fan – for that all important glamour fashion shoot feeling..! Come on in for a phototainment experience!

2 minute game time | Additional print option | 42" internal screen | 37" external screen | Optional marquee screen

Gameplay

Players watch the 42" LCD screen where one of five fun and funky photographers will provide instructions on how to pose. Each session includes nine photos and always finishes with three free style snaps. Previews are shown before the players leave the booth and collect their prints with the option of purchasing more.
