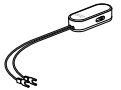
Set up your Arlo Video Doorbell

1. Download the Arlo app and follow the setup instructions for Arlo Video Doorbell.

Download on the App Store GET IT ON Google Play

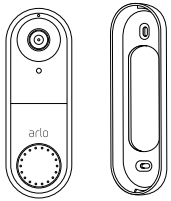
2. Connect the power kit to your existing chime.



3. Replace your existing doorbell with your Arlo Video Doorbell.

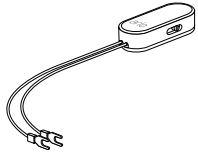
The Arlo Video Doorbell requires a wired doorbell and chime with voltage between 16V AC and 24V AC, and a 10VA transformer.

What's in the box



Doorbell and mounting plate

(These parts are attached to each other in the box)



Power kit

Release pin

Wall screws and anchors

15° mounting plate
