

ASUS Transformer

TF201 GPS Extension Kit

Installing the GPS Extension Kit

Install the GPS Extension Kit to extend the GPS signal coverage of your Transformer to help you search for locations, directions, and route information.

Update the system to the latest ICS version in your Transformer to use the GPS Extension Kit. Visit <http://support.asus.com> or check the system FOTA notification for updates.

Please remove the GPS Extension Kit when not in use to save power.

Before installing the GPS Extension Kit, turn on your Transformer to make sure that the GPS function setting is on.

Go to **Apps menu > Settings > Location services** to manage settings.

To install the GPS Extension Kit:

1. Slide the latch to the left to unlock the GPS Extension Kit.
2. Align the GPS Extension Kit with your Transformer.
3. Slightly push them together until the Transformer is properly seated in the GPS Extension Kit.

4. Slide the latch to the right to lock and secure the GPS Extension Kit to your Transformer.

Heat insulation protective films on the car windows may reduce or block GPS signals from coming through to your Transformer.

- For your own safety, do not use the Transformer and GPS Extension Kit while driving.
- Do not disassemble the GPS Extension Kit.

Please contact your local customer service center for further assistance on using the device. Visit ASUS Service Center website at <http://support.asus.com/contact> for service locations.

Specifications Summary

TF201 GPS Extension Kit Specifications	
Dimension	L 180mm x W 13.12mm x H 22.77mm
Weight	37.8g
Color	Amethyst Gray Champagne Gold
Input Power	+6.4V ~ 8.4V; 55mA
Operating Temperature	0°C (32°F) ~ 35°C (95°F)

Declarations and Safety Statements

Federal Communications Commission Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

IC Regulations

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

This Category II radiocommunication device complies with Industry Canada Standard RSS-310.

Ce dispositif de radiocommunication de catégorie II respecte la norme CNR-310 d'Industrie Canada.

CE Mark Warning

The shipped version of this device complies with the requirements of the EEC directives 2004/108/EC "Electromagnetic compatibility" and 2006/95/EC "Low voltage directive".

This equipment complies with the requirements of Directive 1999/5/EC of the European Parliament and Commission from 9 March, 1999 governing Radio and Telecommunications Equipment and mutual recognition of conformity.

ASUS Recycling/Takeback Services

ASUS recycling and takeback programs come from our commitment to the highest standards for protecting our environment. We believe in providing solutions for you to be able to responsibly recycle our products, batteries, other components as well as the packaging materials. Please go to <http://csr.asus.com/english/Takeback.htm> for detailed recycling information in different regions.

DO NOT throw the GPS Extension Kit in municipal waste. This product has been designed to enable proper reuse of parts and recycling. The symbol of the crossed out wheeled bin indicates that the product (electrical, electronic equipment and mercury-containing button cell battery) should not be placed in municipal waste. Check local regulations for disposal of electronic products.

Limitation of Liability

Circumstances may arise where because of a default on ASUS' part or other liability, you are entitled to recover damages from ASUS. In each such instance, regardless of the basis on which you are entitled to claim damages from ASUS, ASUS is liable for no more than damages for bodily injury (including death) and damage to real property and tangible personal property; or any other actual and direct damages resulted from omission or failure of performing legal duties under this Warranty Statement, up to the listed contract price of each product.

ASUS will only be responsible for or indemnify you for loss, damages or claims based in contract, tort or infringement under this Warranty Statement.

This limit also applies to ASUS' suppliers and its reseller. It is the maximum for which ASUS, its suppliers, and your reseller are collectively responsible.

UNDER NO CIRCUMSTANCES IS ASUS LIABLE FOR ANY OF THE FOLLOWING: (1) THIRD-PARTY CLAIMS AGAINST YOU FOR DAMAGES; (2) LOSS OF, OR DAMAGE TO, YOUR RECORDS OR DATA; OR (3) SPECIAL, INCIDENTAL, OR INDIRECT DAMAGES OR FOR ANY ECONOMIC CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS OR SAVINGS), EVEN IF ASUS, ITS SUPPLIERS OR YOUR RESELLER IS INFORMED OF THEIR POSSIBILITY.
