# GET TO KNOW YOUR TUMI TWS Earbuds

- Short Press
- ◌ Long Press

## 1. Power Button

- Pause / play / answer call
- ◌ Power on, enter pairing mode / reject call

## 2. Micro-USB Charge Port

- Connect Micro-USB cable here to charge TWS Earbuds
- Pull tab to open

## 3. Removable Sport Hooks

## TURN ON & BLUETOOTH PAIRING

1. Activate Bluetooth® on the phone or device you are pairing with (see your device's instruction manual for information on activating its Bluetooth® settings).
2. Press and hold the **Power Button** button for 5 seconds on your TWS Earbuds . The will turn on, and then automatically enter pairing mode.
3. LED will flash alternating RED and WHITE
4. Go to your phone or device's Bluetooth® settings and select " TWS Earbuds " from the list.

5. If asked for a passcode enter "0000"  
Your TWS Earbuds will remember the last 8 devices it has paired with.

NOTE: If your TWS Earbuds do not have an active Bluetooth® connection and is left on, it will shut itself off after 5 minutes. To restart your TWS Earbuds you will need to press and hold the **Power Button** for 5 seconds.

## CHARGING YOUR TRUE WIRELESS EARBUDS

- Before using your TWS Earbuds for the first time, charge the unit 7 to 9 hours.
- To charge your TWS Earbuds , plug the included USB-to-Micro-USB cable into a wall power adapter (not included) or into a powered USB port on a computer. Plug the Micro-USB connector end of the cable into the TWS Earbuds charging port.
- It will take approximately 2 hours to reach a full charge.

## PLAY MUSIC

1. Start playing music on your paired device. Music plays through your TWS Earbuds .
2. NOTE: A tone sounds when maximum volume setting is achieved.
3. Press the **Power Button** to pause playback. Press again to resume playback.

## TAKING CALLS

You can listen through your TWS Earbuds and speak through your TWS Earbuds microphone during phone calls.

If you make a call while paired: The audio and microphone automatically default to your TWS Earbuds .

- Use your phone to make the call
- Press the **Power Button** to end the call

If you receive a call while paired: Your phone rings through your TWS Earbuds .

To listen and speak through your phone (depending on your phone), use your phone to answer the call, or use your phone settings to switch to your phone during a call.

# WARNINGS, CAUTIONS & LEGAL INFORMATION

To reduce the risk of fire or electric shock, do not expose the TWS Earbuds to rain or moisture while charging. The should not be exposed to dripping or splashing, and objects filled with liquids, such as vases, should not be placed on or near it while being charged or charging other devices. As with any electronic products, use care not to spill liquids into any part of the product. Liquids can cause a failure and/or a fire hazard. The power supply must be used indoors only. Make no modifications to the product or accessories. Unauthorized alterations may compromise safety, regulatory compliance, and system performance, and will void the warranty. Do not place any flame sources, such as lighted candles, on or near the

parts that may be a choking hazard and is not suitable for children under age 3. Do not continue charging the battery if it does not reach full charge within the specified charging time. Overcharging may cause the battery to become hot, rupture, or ignite. If you see any heat deformation or leakage, properly dispose of the battery. Do not attempt to charge the battery in temperatures outside the range of 32°-104°F (0°-40°C). If the battery begins to leak, do not allow the liquid to come in contact with your skin or eyes. If contact has been made, wash the affected area with plenty of water and seek medical attention immediately. Do not expose the product or battery to excessive heat, including direct sunlight or fire and storage or use inside cars in hot weather, where it can be exposed to temperatures in excess of 115°F (60°C). Doing so may cause the battery and power supply to generate heat, rupture, or ignite. Using the product in this manner also may result in a loss of performance and a shortened life expectancy. Extended exposure to direct sunlight may damage the external appearance and material qualities. Do not step on, throw, or drop batteries or the power supply or device, or expose them to a strong shock. Do not pierce, crush, dent, or deform the batteries

or power supply in any way. If either becomes deformed, properly dispose of it. Do not short-circuit batteries. Do not attempt to service the TWS Earbuds yourself. Opening or removing covers may expose you to dangerous voltages or other hazards and will void the manufacturer's warranty. To prevent risk of fire or electric shock, avoid overloading wall outlets, extension cords, or integral convenience receptacles. Your Bluetooth device (mobile phone, music player, tablet, laptop, etc.) must support the A2DP Bluetooth profile in order to work wirelessly with your new TWS Earbuds . The A2DP profile is supported by most recent mobile products with built-in Bluetooth capability. Please refer to your device's user manual for details and instruction regarding the Bluetooth profiles it supports.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:—Reorient or relocate the receiving antenna. —Increase

the separation between the equipment and receiver. —Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. — Consult the dealer or an experienced radio/TV technician for help.

**CAUTION:** Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**FCC RADIATION EXPOSURE STATEMENT:** This device complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Lithium Battery installed is not intended to be replaced by the USER.

**CAUTION:** Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.

Where the MAINS plug is used as the disconnect device, the disconnect device shall remain readily operable.

The device meets the exemption from the routine evaluation limits in section 2.5 of RSS 102 Issue 5 and compliance with RSS-102 RF

exposure, users can obtain Canadian information on RF exposure and compliance.

**Correct Disposal of this product.** This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased.

This product complies with California Energy Commission efficiency standards for consumer battery chargers.

**BATTERY SAFETY:** Store the portable backup battery in a cool, dry place, and avoid exposure to moisture, high

temperatures, open flames, chemicals, or corrosive materials. Do not short circuit, open, disassemble, modify, repair, or replace any part of the portable backup battery. Doing so may cause the battery to ignite, explode, leak, or become excessively hot, causing personal injury. Avoid excessive impact, physical shock, or vibration as they may damage the portable backup battery. Inspect the case carefully before each use, especially after any drop, bump or other impact, to identify any sign of damage. If the portable backup battery becomes damaged, swells, leaks, overheats, or functions abnormally, immediately discontinue use and contact Incipio. Avoid all contact with contents from a leaking battery. The portable backup battery is designed to be charged many times. Use the included micro USB cable and an approved battery charger. Never use a modified or damaged battery charger. Do not reverse charge or reverse connect the battery. Please note the battery will normally be warm during charging. Recycle or dispose of the portable backup battery's batteries properly and in accordance with applicable federal, state and local laws and regulations. Do not dispose of batteries in the trash or fire.

# TUMI'S ACCESSORIES WARRANTY

Since our founding in 1975, Tumi has been committed to providing our customers with an ownership experience that is second to none. Specifically, we make three promises to our customers:

1. You will enjoy using innovative products that are designed and manufactured to be the best;
2. You will experience world-class customer service for as long as you own your product;
3. For two (2) years after you purchase Tumi small leather goods or accessories, virtually any problem that you encounter with the product will be covered by our warranty.

Tumi's warranty is just a small part of the ownership experience that we provide to our customers, and you will find that it is straightforward and comprehensive.

## **FIRST YEAR OF OWNERSHIP: TOTALLY WORRY FREE**

For the first twelve (12) months of ownership, if any damage – including wear and tear – happens to your Tumi product, Tumi will cover all repair expenses, including shipping costs to and from our repair facility.

The only exceptions to this are purely cosmetic damage, such as scratched leather, and incidents or consequential damages, such as damage to, or loss of, the contents of a bag, loss of use, loss of time or similar expenses.

## **YEAR TWO: FULL COVERAGE**

Through your second year of ownership, Tumi will cover all of the repair costs for any problems that result from defective materials or workmanship or damage from wear and tear. The only exceptions to this are damages caused by obvious abuse of the product, purely cosmetic damage and incidental or consequential damages as described above. Your only responsibility is to ship your item to us for repair, or take it to a Tumi store or authorized Tumi dealer, who will be happy to process the repair for a nominal handling and shipping fee. Many repairs can actually be handled right in the store, but if your item does need to be sent to our facility, we will repair it quickly and ship it back at no cost to you. In those rare cases mentioned above where our warranty does not apply, we will promptly provide you with an estimate of any repair costs that may be involved.

**A LIFETIME OF SERVICE**

It is extremely rare that we see an accessory product problem due to a manufacturing defect show up after two years of use, but we do have many customers with older items that they would like to have refurbished. For these customers, we offer a lifetime of courteous, responsive service and the highest quality repairs and refurbishment done at the lowest possible cost.

**TOTAL COMMITMENT**

The bottom line is that at Tumi, we are totally committed to keeping you happy about our products and our service. Once you have had the pleasure of owning and using our products, we hope that they will become your trusted companions for life. You can reach us online, 24 hours a day, 7 days a week at [www.tumi.com/repair](http://www.tumi.com/repair) or call 800.781.TUMI (8864) to speak with a customer service representative during normal business hours. (To contact customer service outside of the US and Canada, please see the list of international centers that follows.)

**PROOF OF PURCHASE**

Please save your store receipt as proof of purchase. This will be needed to facilitate your first year worry-free coverage. Additionally, this will serve as proof that your purchase was made at an authorized Tumi retailer. Our warranty services only apply to products that were purchased from an authorized Tumi store or dealer.
