

## **⚠ WARNING**

***This device and its antenna must operate with a separation distance of at least 5 cm (2 inches) from all persons and must not be co-located or operating in conjunction with any other antennas or transmitter. The end-user is allowed to hold the interrogator with his hands. While operating the interrogator, the end-user must keep the interrogator at least 5 cm (2 inches) from the end-user's body and keep his hands at least 2.5 cm (1 inch) away from the interrogator's antenna. Approved for use with antenna supplied. End-users must be provided with specific operating instructions for satisfying RF exposure compliance.***
