HK115 User Guide

At a glance

the important bits, quick and easy

Note: Your battery is designed to last the life of your product. It should only be removed by a recycling facility. Any attempt to remove or replace your battery will damage your headset.

Note: Fully charge before use.

Connect & go

let's get you connected

Tip: For daily use, just make sure your headset is on, and your phone's Bluetooth feature is on.

Your headset and phone connect automatically.

Basics

standard features, advanced quality

Calls

To...	
answer a call	Press
reject a call	Press and hold until you hear a tone.
make a voice dial call	Press and you hear a tone.
mute or unmute	Use your phone to mute/unmute a call.
end a call	Press

Note: Some features are phone/network dependent.

Note: Using a mobile device or accessory while driving may cause distraction and may be illegal.

Always obey the laws and drive safely.

Note: Use your phone to answer a second incoming call.

Advanced

more clever stuff

Second device

Using two phones? Or maybe a tablet and a phone? Pair with two devices.

- Before pairing the second device, turn off the Bluetooth feature of the previously paired device. Now pair your second device as normal, see "**Connect & go**".
- Once paired, to connect to both devices simply turn them on.
- To use headset features, such as voice dial, and end call, with the desired device, just use the feature as normal.

Status light

An easy way to check your headset.

status light	headset
green flashes twice	turning on
steady green	connected
three green flashes	turning off

Note: Your headset will flash green while attempting to pair with your device.
