2018 DISTRIBUTOR TERMS AND CONDITIONS INTERNATIONAL

PAYMENT AND TERMS

Payment in advance required unless terms are approved by B&K Precision.

Note: Terms are applied to date of invoice, not date of invoice receipt.

MINIMUM ORDER AMOUNT

B&K Precision requires a \$250 minimum order amount for products, including instruments and accessories. Orders submitted for less than \$250 will be invoiced at a reduced price according to the Distributor Price (see Price Tiers below).

PURCHASE ORDERS & PRODUCT ALLOCATION

B&K Precision will reserve products for purchase orders requiring payment in advance up to a maximum of sixty (60) days after receipt of order. If payment has not been received and/or financial arrangements have not been made within the specified time period, the products will be released from reserve and new lead times will be applied to the products on order.

PRICE TIERS

Distributor Price

To be applied to distributor invoice if:

- (1) Distributor purchases between \$3,000 and \$10,000 of B&K Precision products during the B&K Precision fiscal year. **
- (2) Prime distributor submits order for less than \$250.

Prime Distributor Price

To be applied to distributor invoice if:

- (1) Distributor's net purchases total at least \$10,000 of B&K Precision products during the B&K Precision fiscal year. **
- (2) Distributor promotes B&K Precision products on the distributor's website and/or in the distributor's catalog.
- (3) Distributor stocks a mix of B&K Precision products appropriate for the distributor's customer base.
- (4) Distributor submits an inventory feed to B&K Precision; to be posted at http://www.bkprecision.com/where_to_buy/ and distributor provides a landing page for B&K Precision to link to.

**B&K Precision fiscal year: October 1 - September 30

FREIGHT

F.C.A. Factory (Yorba Linda, CA, US)
INCO terms 2000 apply

LIMITED WARRANTY

B&K Precision warrants all its products to be free of defects in workmanship and materials for a specified period from the date of sale to the original user. A copy of the original user's invoice (receipt) must accompany any warranty claim.

For complete details, refer to the warranty statement included with each B&K Precision product.

RETURN POLICY

"Defective out of box" or "Dead on Arrival" ("DOA") applies to product found defective upon initial use by the end user within 30 days from the date of purchase. B&K Precision recommends that upon receipt of the product, the end user inspect and test the product and contact B&K Precision technical support for confirmation of any suspected defects. If the product is deemed defective by B&K Precision technical support, the end user should contact the distributor for a replacement. The end user should not return the product to B&K Precision. B&K Precision will issue a return authorization (RA) to the distributor upon request. The distributor will be responsible for the return freight and any associated shipping charges.

A 25% restocking fee will be charged to the distributor if:

- (1) The product is returned to B&K Precision without an RA
- (2) The product is damaged
- (3) The product is missing the original factory packaging, any standard accessories, instruction manuals or software.

If no defect is found upon evaluation of the product, B&K Precision reserves the right to cancel the RA and return the product to the distributor in resalable condition, or charge a 25% restocking fee. All RAs will be cancelled automatically after 90 days from the date of issuance.

New Product Return Waiver

B&K Precision considers product to be "new" within one (1) year from date of the product launch. For information regarding product launches please refer to www.bkprecision.com or contact B&K Precision distributor sales. "New" products are eligible for return for a period of one (1) year from date of purchase outside of the standard stock rotation requirements. The distributor must place an order for the new product within 60 days off the product launch date. A 25% restocking fee will be applied if: (1) the unit is returned to B&K Precision without a Return Authorization (RA), (2) the product is damaged or (3) the product is missing original factory packaging, standard accessories, instruction manuals or software.

Obsolete Products

B&K Precision will notify distributors regarding obsolete products in a timely manner. A distributor may return obsolete products remaining in inventory for full credit. Any obsolete product returns must be received by B&K Precision within 60 days of the obsolete notice. A 25% restocking fee will be applied if: (1) the unit is returned to B&K Precision without a return authorization, (2) the product is damaged or (3) the product is missing original factory packaging, standard accessories, instruction manuals or software. The distributor will be responsible for the return freight and any associated shipping charges.
