[Turn On / Off]

< If this is the first time you use the i-PHONO PLUS Bluetooth Stereo Dongle (P/N: BT430Tx), please **FULLY** charge the device in advance. >

Turn On / Off:

Sliding the power switch to turn on / off the i-PHONO PLUS Stereo Dongle.

Function	Pairing Button	Status Indicator
Turn on / Active	-	Blinking Blue
Pairing mode	Press and Hold for 3 sec.	Red/Blue alternately
Low Battery	-	Blinding Red every 3 sec
Charging	-	Constant Red
Note: When the stereo dongle fully charged, the status indicator will switch off all light.		

[Pairing]

Step-1: Turn off both the stereo dongle and the headphone (i-PHONO mini headphone or i-PHONO PLUS headphone) in advance, and then put the headphone in the pairing mode.

Step-2: Afterward, put the stereo dongle in the pairing mode. Press and hold the Power/Pairing Button of stereo dongle until its Status Indicator flashes Blue and Red alternately.

Step-3: Once the stereo dongle is putting in the pairing mode, it will begin to search and pair with the headphone automatically. After the pairing is completed, both the Status Indicators of headphone and stereo will flash Blue regularly.

[Using Bluetooth Stereo Dongle with General Music Player]

You can enjoy the stereo music transmitted wirelessly from the music player which is installed the i-PHONO PLUS Bluetooth Stereo Dongle (P/N: BT430Tx) , the music player can be a CD Player, MP3 Player, Mini Hi-Fi system, Handheld Game Console, Portable Media Player, Non-Bluetooth supported computer, etc.

Step-1: Pair the stereo dongle with the stereo headphone (i-PHONO mini headphone or i-PHONO PLUS headphone) in advance.

Step-2: Install the stereo dongle to the music player. The installation is effortless and no driver or software is necessary. You only need to connect the Stereo Plug of the i-PHONO PLUS stereo dongle to the 3.5mm (1/8 in.) stereo out jack of the music player.

Step-3: Play Music.

Notice

Any changes or modifications (including the antennas) made to this device that are not expressly approved by the manufacturer may void the user's authority to operate the equipment.

FCC Statement

The device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) this device may not cause harmful interference, and
- 2) this device must accept any interference received, including interference that may cause undesired operation

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC RF Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance. This dongle must not be co-located or operating in conjunction with any other antenna or dongle.
