How to Connect

2s Long press ON "HELLO"

LED Indicator Area

Switch ON: blue LED indicator will flash. Choose "Rhythm 60" from your device menu. Wait until you hear voice prompt "Connected". You are now connected. Blue LED indicator will now stay on.

AUX

Pull waterproof cover up from the bottom (gently) to access AUX port. AUX will play automatically once AUX cable is inserted. Note LED Indicator will turn Green.

Lights

10 Different LED lights. Short press "☀️" once to change modes. Mode 1 is defaulted when you power on each time. you can press and hold to switch off lights.

Power bank

Pull waterproof cover up from the bottom (gently) to access USB port. you can use this as an emergency power to your phone or other USB chargeable devices.

EQ

3 Equalizer settings: bass boost, vocal boost and BoomPods Studio are available. to change: Long press indicator area until you hear the setting Vocal prompt, note that BoomPods studio is defaulted when you power on.

Calling

When you have a incoming call:
 Short tap once to Answer.
 Short tap Once to hang up.
 Short tap twice to move call from speaker to phone to keep call private.
 Tap Hold for 2s to reject call.

Pair 2

If you have already paired the Speaker to your phone or other device (in range) clear them from those devices.
 Switch on both speakers.
 Short press "🔊" button, on one of the speakers, now wait until you hear "BEEP" prompt from both speakers.
 Now pair to your phone, follow the instruction on previous page.

Charging

Gently remove waterproof cover only until USB-C charging port is exposed. (Please make sure after charging this is securely fixed back in place to avoid water and debris, this could void the warranty)
 Use supplied USB-C Charging Cable.
 Use an output source 5V/2A (or above).
 Charge when you hear "Battery Low" prompt or the LED indicator flash RED. Red LED will be on while charging and switch off when fully charged.

Speaker will power off automatically to save battery when nothing is connected after 10 minutes.
