Re: Bose FCC ID: A94BT1R, IC: 3232A-BT1R, Application for Equipment Authorization

To Whom It May Concern:

I confirm that the following statement will be included as a slip sheet in the owner's guide:

"This device complies with FCC and Industry Canada RF radiation exposure limits set forth for general population. It must not be co-located or be operating in conjunction with any other antenna or transmitter".

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Hetherman", with a long horizontal flourish extending to the right.
