4. **SELECT ► Button**: Selects highlighted Menu item.
5. **DOWN/PWR ▼ Button**: Scrolls down through Menu. Press and hold (7 sec.) to power ON/OFF.

Federal Communication Commission Interference Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Radiation Exposure Statement:

The product comply with the FCC portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

Industry Canada statement:

This device complies with ISED's licence-exempt RSSs. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Le présent appareil est conforme aux CNR d' ISED applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: (1) le dispositif ne doit pas produire de brouillage préjudiciable, et (2) ce dispositif doit accepter tout brouillage reçu, y compris un brouillage susceptible de provoquer un fonctionnement indésirable.

Radiation Exposure Statement:

The product comply with the Canada portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

Déclaration d'exposition aux radiations:

Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les Etats-Unis et le Canada établies pour un environnement non contrôlé.

Le produit est sûr pour un fonctionnement tel que décrit dans ce manuel. La réduction aux expositions RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.

Bushnell Golf GPS Website

www.bushnellgolf.com is the best online resource for all our Golf GPS product owners, including product support, FAQs, etc. It also serves as a portal to access iGolf.com GPS course files to use with these Bushnell products. Registering your iON2 via **www.bushnell.igolf.com** is not required, but will ensure you have access to the latest updated GPS course data.

⚠ SAFETY WARNINGS:

- Do not attempt to open the iON2. Risk of explosion if battery is replaced with incorrect type.
- Do not attempt to open, disassemble, service, or replace the internal battery. Do not crush, puncture or short the battery's external contacts. Properly recycle or dispose of the battery. Do not dispose in fire or water.
- Do not expose to strong chemicals such as gasoline and alcohol, or to temperatures above 140° F (60° C).
- The unit is IPX7 rated, and can withstand complete submersion in water up to 1 meter deep for up to 30 minutes. Exposure to greater depths and/or submersion for longer periods of time may cause damage to the unit, and such conditions or usage are not covered by the warranty.

Legal Disclaimer

By using this product, you agree that Vista Outdoor Inc. will not be held legally responsible for any injury or damage to you or any person or property caused by the user's improper operation and/or poor judgment while using this product. *Note: See Limited Warranty in full user manual for other limitations to our liability*

A full user manual detailing the additional features of the iON2 and additional product information can be downloaded at: www.bushnellgolf.com

BEFORE USE:

- Fully charge the battery by inserting the iON2 into the provided charging cradle (contacts on back of watch lined up with pins on left side of cradle) and connecting the cradle's USB cable to your phone charger or PC.
- After the watch is fully charged, turn on the watch (lower right button).
- Go to Settings, select Set Time, sync by GPS (you must be outside to sync via GPS).

The Bushnell Golf App is included with purchase of the iON2. The Bushnell Golf App provides you with the ability to update courses wirelessly via Bluetooth to your Smartphone, and gives you full color aerial views and flyovers with distances, scorekeeping and tee time booking features.

Download the "Bushnell Golf" App from the Apple App Store or Google Play Store.

- Select "Join Now" (or "Sign In" if you already have an existing Bushnell Golf account).
- You will need to enter the serial # located on the back of your iON2 to complete signing up.

Product ID (serial #) ➡

368850 Made in China
FCC ID: XXX-NNNN
IC:YYYYY-ZZZZ
S/N:N2XXXXXXXX

To Sync/Pair the device with the App:

- From the iON2's main menu
- Select "**BLUETOOTH**" and select "**ON**"
- On your phone, select "My Device".
- Enter the six digit code displayed on the iON2 into your phone.
- Select "Sync your device"
