

**BYTECH®**  
THE ART OF TECHNOLOGY

BY-AU-BE-156-AC

**INFINITYSOUND**  
TRUE WIRELESS EARBUDS WITH CHARGING CASE

#### SPECIFICATIONS:

- Input Power: 5V=1A
- Driver Diameter: 10mm
- Earbuds battery Capacity: 30mAh
- Charging case battery Capacity: 250mAh
- Charging Time: Up to 1.5 Hours
- Charging Interface: Type C USB
- Talk/Music Time: Up to 4 Hours/charge
- Total Play Time: 20 Hours
- Standby Time: Up to 120 Hours
- Transmission Range: Up to 33 feet

#### PAIRING:

1. Remove the EARBUDS from the charging case. They will automatically connect to each other.
2. Turn on the Bluetooth settings on your device.
3. Search for **BY-BE-156** on your device (Phone/Tablet).
4. Click connect on your Bluetooth enabled device and your Earbuds should successfully connect.

#### Touch Control:

**1 TAP** - Play/Pause  
Resume Music/Answer Call

**2 TAPS** - Skip/ Next Song

**3 TAPS** - Enable SIRI/Google

Once done listening you can just place the EARBUDS into the charging case and they will automatically power off.

#### CHARGING

1. Replace the earbuds in the case.
2. Connect the USB-C charging cable to the charging port on the bottom of the charge case.
3. Plug the cable into a standard USB 5V/1A or higher power output.

When you plug the case into a charger, the LED display shows the current charge, blinking. This means it is being charged. The lights on the buds in the case glow steady red, indicating they are charging. The lights on the buds will go out when fully charged or the case is unplugged from the power source. The LED display will show 100 and stop blinking when the case is fully charged.

4. When fully charged, promptly unplug the charge case from the power source.
- If you want to charge the earbuds from the charge case internal battery, simply replace them in the case. They will begin charging from the built-in case battery.

#### WARNING:

- Do not use this unit for anything other than its intended use.
- Keep the unit away from heat source, direct sunlight, humidity, water or any other liquid.
- Do not expose the device to extremely high or low temperatures, as it may damage the battery.
- Do not operate the unit if it has been wet or moist to prevent against electric shock and/or injury to yourself and damage to the unit.
- Do not use the unit if it has been dropped or damaged in any way.
- Repairs to electrical equipment should only be performed by a qualified electrician. Improper repairs may place the user at serious risk.
- Keep the unit out of reach of children. This unit is not a toy.

FCC ID: 2AHN6-AUBE156

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**CAUTION: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.**

#### FCC Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

#### BYTECH
