**FCC Warning** This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: —Reorient or relocate the receiving antenna. —Increase the separation between the equipment and receiver. —Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. —Consult the dealer or an experienced radio/TV technician for help.

**WARRANTY:** Bytech NY INC. warrants this product to be free from defects in materials and workmanship to the original purchaser for a period of 2 years from the original purchase date. Bytech's responsibility with regard to this limited warranty shall be limited solely to repair or replacement of any product which fails during normal consumer use. This warranty does not extend to damage or failure which results from misuse, neglect, accident, alteration, abuse, improper installation or lack of maintenance. If at any time during the 2 year period following the purchase, the product fails due to defects in material or workmanship, return the defective product (with freight prepaid) and include the proof of purchase. Additionally, please enclose \$5.00 for return shipping and handling. All trademarks and copyrights are property of their respective owners.
