INSTRUCTIONS FOR USE

Charging the speaker
For best results, fully charge the speaker before its first use.
1. Connect the USB charging cord (included) to the DC 5V charging port of the speaker and insert the other end into a port on your computer or similar power source.
2. The Red LED turns on indicating that the battery is being charged. Once it is fully charged, the Red LED will turn off. It will take around 2-3 hours to fully charge the battery.

Note: In order to have better battery life, please do not charge for over 4 hours.

Turn the speaker to Bluetooth pairing mode -
1. Slide the Power ON/OFF switch to ON position.
2. You would hear voice message "Bluetooth's mode"; the speaker is now in pairing mode.

(Note: Speaker automatically pairs with the previously paired devices)

Pairing your device with Bluetooth Speaker –
Your **Bluetooth Speaker** can wirelessly stream audio from any Bluetooth enabled device within the distance of 27-33 Feet. Simply follow the below steps.
1. Slide the Power ON/OFF switch to ON position.
2. You would hear voice message "Bluetooth mode"; speaker is now in pairing mode.
3. Turn on the Bluetooth on your Mobile Phone or Tablet or Computer.
4. It will search for various devices.
5. The pairing name of our Bluetooth Speaker is "**BT Speaker**", pair it with this device.
6. If required, enter the password '0000' to confirm to finalize pairing.
7. Once paired successfully, you would hear voice message "Bluetooth connected successfully".
8. If you fail to pair it within the time frame or you want to pair it with a new device please follows the steps outlined above.

Select your favorite song at the Bluetooth device and music would now stream through Bluetooth speaker.
