

Wearing the Headset

Introduction

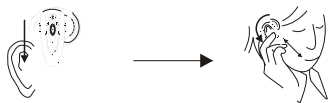

This Bluetooth headset is suitable for both ears, so if you hope to change the headset to the other ear, you need to change the direction of the earhook.

How to wear Headset

SETUP

1. Hook the earhook vertically behind your ear.
2. After the earhook is fixed, turn the direction of microphone toward your mouth.

Making and Receiving Calls

Introduction

This Bluetooth headset supports both HS and HF profiles, and which profile will activate your Bluetooth headset depends on your headset.
