## BEFORE YOU BEGIN

Before using this product, read the Important Safety and Legal Information pamphlet and follow its instructions. Take a moment before you get started to familiarize yourself with your new T305 Car Kit.

### 1 CHARGE YOUR CAR KIT

Charge your car kit's battery for 2 hours:

- 1 Plug the Motorola charger into the end of the car kit.  
The indicator light turns red when the battery is charging and the device is turned off. It may take up to 1 minute for the indicator light to turn on. When the car kit's battery is fully charged (about 2 hours), the indicator light turns blue.
- 2 Disconnect the charger.

*Note:* Car kit is functional while charging. However, video charging when the car kit is powered on, the indicator light will not provide charging status.

### 2 PUT YOUR CAR KIT IN PAIRING MODE

Before you can use your car kit, you must pair (link) it with your phone.

Indicator Light and Call Button

With the car kit power off, press and hold the Call button until the indicator light turns on and becomes steadily lit in blue. Release the Call button and immediately press the Power button to turn car kit power on. The indicator light remains steadily lit in blue.

*Note:* If the indicator light is not steadily lit in blue when powering on the car kit, ensure the car kit is off before trying again.

*Note:* To turn off car kit, see "Turning Headset On/Off" on the reverse side of this guide.

## TROUBLESHOOTING

**My phone does not find my car kit.**  
Make sure the indicator light on your car kit is on and steadily lit in blue when your phone is searching for devices (see step 3).

**My car kit worked with my phone before but now their not working.**

Make sure your phone is on and the Bluetooth feature is turned on in your phone (see step 2). If the Bluetooth feature has been turned off or was turned on only temporarily, you may need to restart the Bluetooth feature (see step 2). If you have confirmed the Bluetooth feature is on in your phone, pair your phone and car kit again (see step 3).

### Support

If you need more help, contact us at 1-877-MOTOBLU or visit us at [www.hellomoto.com/bluetooth](http://www.hellomoto.com/bluetooth) and click **Support**.

### 3 TURN ON BLUETOOTH ON YOUR PHONE AND PAIR WITH CAR KIT

Your phone's Bluetooth feature is off by default. To use your car kit, turn on the Bluetooth feature in your phone.

To turn on Bluetooth:

- 1 Select **[E] Menu** > **Settings** > **Connection** > **Bluetooth Link** > **Setup**.
- 2 Scroll to **Power**.
- 3 Press **Change**.
- 4 Select **On**.
- 5 Select **Back**.
- 6 Select **Handfree**.

*Note:* These steps are for most Motorola phones. For other phones, see your phone's user's guide.

### TURN ON BLUETOOTH ON YOUR PHONE AND PAIR WITH CAR KIT

*Continued*

- 7 Select **[Look for Devices]**.

*Note:* Do not select **STOP**—you will automatically be taken to the next screen.

- 8 Select **Motorola T305**.
- 9 Select **Yes** to bond.
- 10 Enter the passkey **0000** and select **OK**.

When your car kit and phone are successfully paired, the indicator light changes to flashing blue with quick purple flashes.

*Note:* These steps are for most Motorola phones. For other phones, see your phone's user's guide.

### 4 TEST AND USE

Your phone and car kit are now paired and ready to make and receive calls. To confirm they are operating properly, make a call:

- 1 Install visor clip and place car kit onto your visor. See "Installing Car Kit in Car" on the reverse side of this guide for details.
- 2 On your phone, dial the number you want to call and press the **Send** key.

- 3 If your phone and car kit are successfully paired, you will hear ringing on the car kit speaker.

After you have successfully paired your phone and car kit, you don't need to repeat these steps. For daily use, ensure that your car kit is turned ON and that your phone's Bluetooth feature is ON.

To save battery power, your car kit will power down when not connected to your phone for more than 30 minutes.

## USING YOUR T305

See

**Features and Functions Guide** for information on using your T305.

# Features and Functions Guide

T305  
Bluetooth®  
Car Kit

**IMPORTANT:**  
Be sure to first follow the **MOTOSTART** Quick Start Guide on the reverse side of this guide to complete initial setup of your T305.

## European Union Directives Conformance Statement

- CE** Heriby, Motorola declares that this product is in compliance with:
- The essential requirements and other relevant provisions of Directive 1999/5/EC.
  - All other relevant EU Directives.

The above gives an example of a typical Product Approval Number.

You can view your product's Declaration of Conformity (DoC) to Directive 1999/5/EC (to R&TTE Directive) at [www.motorola.com/rlr](http://www.motorola.com/rlr). To find your DoC, enter the product Approval Number from your product's label in the "Search" bar on the web site.

## TURNING CAR KIT ON AND OFF

To turn car kit on, press and hold the Power button until the indicator light flashes. Then, release the button.

*Note:* Car Kit may take up to 4 to 5 seconds to turn on.

To turn your car kit off, press and hold the Power button until the indicator light flashes rapidly and then turns off.

To conserve battery power, your car kit will turn off when not connected to your phone for more than 30 minutes.

## INSTALLING CAR KIT IN YOUR CAR

Follow these steps to install your car kit in your car:

- 1 Slide the visor clip onto the mounting bracket on the bottom of the car kit.

## INSTALLING CAR KIT IN YOUR CAR

*Continued*

- 2 Slide the visor clip onto your sun visor. The clip is reversible to allow you to install the car kit from either the front or the back of your sun visor. The Power button must be facing forward you.

## ADJUSTING CAR KIT VOLUME

You can adjust car kit volume using the Volume buttons. To adjust volume, press and hold button.

## MAKING CALLS

Function	Action
Make a voice dial call	Tap the Call button and speak the name after the tone
End a call	Tap the Call button (if a call is on hold, tap twice to end all calls)
Receive a call	Tap the Call button
Reject a call	Tap both Volume buttons
Redial last call	Press and hold the Call button until you hear a beep

*Note:* Your T305 supports both Handsfree and Headset Profiles. Accessing call functions depends upon which profile your phone supports. See your phone's user's guide for more information.

## INDICATOR LIGHTS

With the Charger Plugged In

Indicator Light	Car Kit Status
Red (steadily)	Charging
Blue (steadily)	Charging complete

*Note:* Charging status not displayed when car kit is in use.

With No Charger Plugged In

Indicator Light	Car Kit Status
Off	Power off
Blue (steadily)	Pairing mode
Red	Battery low
Blue with quick Purple flashes	Pairing successful
Blue (slow pulse)	Connected (on a call)
Blue (flash)	Standby (not on call)
Blue (quick flash)	Incoming call
Purple (slow pulse)	Muted

*Note:* After 5 minutes of inactivity, the light stops flashing to conserve power, but the car kit remains in standby mode.

## AUDIO TONES

The audio tones provide information about your car kit status.

Audio Tone	Car Kit Status
Single high tone when pressing Volume button	Volume at minimum or maximum
Five rapid high tones repeated every 60 sec.	Low battery
No audio indications; deteriorating quality	Out of range
Ring tone	Incoming call
Single high tone	Pairing confirmation
Single low tone	Voice activation
Dual high/low tone	Voice tag not recognized
Single high tone	End call
Low to high tone	Phone network not available
Two ascending tones	Mute enabled
Two descending tones	Mute disabled

Manual Number: 6809494A55-0

The information contained in Motorola's user's guides is believed to be correct at the time of printing. Motorola reserves the right to change or modify any information or specifications without notice. The contents of Motorola's user manuals are provided "as is." Except as required by applicable law, no warranties of any kind, either express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose, are made in relation to the accuracy, reliability, or contents of this document.

### **Software Copyright Notice**

The Motorola products described in this manual may include copyrighted Motorola and third-party software stored in semiconductor memories or other media. Laws in the United States and other countries preserve for Motorola and third-party software providers certain exclusive rights for copyrighted software, such as the exclusive rights to distribute or reproduce the copyrighted software. Accordingly, any copyrighted software

contained in the Motorola products may not be modified, reverse-engineered, distributed, or reproduced in any manner to the extent allowed by law. Furthermore, the purchase of the Motorola products shall not be deemed to grant either directly or by implication, estoppel, or otherwise, any license under the copyrights, patents, or patent applications of Motorola or any third-party software provider, except for the normal, non-exclusive, royalty-free license to use that arises by operation of law in the sale of a product.

# Safety and General Information

---

## **IMPORTANT INFORMATION ON SAFE AND EFFICIENT OPERATION. READ THIS INFORMATION BEFORE USING YOUR DEVICE.**

Users are not permitted to make changes or modify the device in any way. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. See 47 CFR Sec. 15.21.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. See 47 CFR Sec. 15.19(3).

# Electromagnetic Interference/Compatibility

**Note:** Nearly every electronic device is susceptible to electromagnetic interference (EMI) if inadequately shielded, designed, or otherwise configured for electromagnetic compatibility.

## Facilities

To avoid electromagnetic interference and/or compatibility conflicts, turn off your device in any facility where posted notices instruct you to do so. Hospitals or health care facilities may be using equipment that is sensitive to external RF energy.

## Aircraft

When instructed to do so, turn off your device when on board an aircraft. Any use of a device must be in accordance with applicable regulations per airline crew instructions.

## Medical Devices

### Hearing Aids

Some devices may interfere with some hearing aids. In the event of such interference, you may want to consult with your hearing aid manufacturer to discuss alternatives.

### Other Medical Devices

If you use any other personal medical device, consult the manufacturer of your device to determine if it is adequately shielded from RF energy. Your physician may be able to assist you in obtaining this information.

## Industry Canada Notice to Users

Operation is subject to the following two conditions: (1) This device may not cause interference and (2) This device must accept any interference, including interference that may cause undesired operation of the device Ref IC RSS 210 Sec. 5.11. The term "IC:" before the

certification/registration number only signifies that registration was performed based on a Declaration of Conformity indicating that Industry Canada technical specifications were met. It does not imply that Industry Canada approved the equipment. See Ref IC Self-Marking 6(f) and RSP-100 Sec. 4.

## **FCC Notice to Users**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be

determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

# Motorola Limited Warranty for the United States and Canada

---

## What Does this Warranty Cover?

Subject to the exclusions contained below, Motorola, Inc. warrants its telephones, pagers, messaging devices, and consumer and professional two-way radios (excluding commercial, government or industrial radios) that operate via Family Radio Service or General Mobile Radio Service, Motorola-branded or certified accessories sold for use with these Products ("Accessories") and Motorola software contained on CD-ROMs or other tangible media and sold for use with these Products ("Software") to be free from defects in materials and workmanship under normal consumer usage for

the period(s) outlined below. This limited warranty is a consumer's exclusive remedy, and applies as follows to new Motorola Products, Accessories and Software purchased by consumers in the United States or Canada, which are accompanied by this written warranty:

## Products and Accessories

<b>Products Covered</b>	<b>Length of Coverage</b>
<b>Products and Accessories</b> as defined above, unless otherwise provided for below.	<b>One (1) year</b> from the date of purchase by the first consumer purchaser of the product unless otherwise provided for below.
<b>Decorative Accessories and Cases.</b> Decorative covers, bezels, PhoneWrap™ covers and cases.	<b>Limited lifetime warranty</b> for the lifetime of ownership by the first consumer purchaser of the product.

<b>Products Covered</b>	<b>Length of Coverage</b>
<p><b>Monaural Headsets.</b> Ear buds and boom headsets that transmit mono sound through a wired connection.</p>	<p><b>Limited lifetime warranty</b> for the lifetime of ownership by the first consumer purchaser of the product.</p>
<p><b>Consumer and Professional Two-Way Radio Accessories.</b></p>	<p><b>Ninety (90) days</b> from the date of purchase by the first consumer purchaser of the product.</p>
<p><b>Products and Accessories that are Repaired or Replaced.</b></p>	<p><b>The balance of the original warranty or for ninety (90) days</b> from the date returned to the consumer, whichever is longer.</p>

## Exclusions

**Normal Wear and Tear.** Periodic maintenance, repair and replacement of parts due to normal wear and tear are excluded from coverage.

**Batteries.** Only batteries whose fully charged capacity falls below 80% of their rated capacity and batteries that leak are covered by this limited warranty.

**Abuse & Misuse.** Defects or damage that result from: (a) improper operation, storage, misuse or abuse, accident or neglect, such as physical damage (cracks, scratches, etc.) to the surface of the product resulting from misuse; (b) contact with liquid, water, rain, extreme humidity or heavy perspiration, sand, dirt or the like, extreme heat, or food; (c) use of the Products or Accessories for commercial purposes or subjecting the Product or Accessory to abnormal usage or conditions; or (d) other acts which are not the fault of Motorola, are excluded from coverage.

**Use of Non-Motorola Products and Accessories.** Defects or damage that result from the use of Non-Motorola branded or certified Products, Accessories, Software or other peripheral equipment are excluded from coverage.

**Unauthorized Service or Modification.** Defects or damages resulting from service, testing, adjustment, installation, maintenance, alteration, or modification in any way by someone other than Motorola, or its authorized service centers, are excluded from coverage.

**Altered Products.** Products or Accessories with (a) serial numbers or date tags that have been removed, altered or obliterated; (b) broken seals or that show evidence of tampering; (c) mismatched board serial numbers; or (d) nonconforming or non-Motorola housings, or parts, are excluded from coverage.

**Communication Services.** Defects, damages, or the failure of Products, Accessories or Software due to any communication service or

signal you may subscribe to or use with the Products Accessories or Software is excluded from coverage.

## Software

<b>Products Covered</b>	<b>Length of Coverage</b>
<b>Software.</b> Applies only to physical defects in the media that embodies the copy of the software (e.g. CD-ROM, or floppy disk).	<b>Ninety (90) days</b> from the date of purchase.

## Exclusions

**Software Embodied in Physical Media.** No warranty is made that the software will meet your requirements or will work in combination with any hardware or software applications provided by third parties, that the operation of the software products will be uninterrupted or error free, or that all defects in the software products will be corrected.

## **Software NOT Embodied in Physical Media.**

Software that is not embodied in physical media (e.g. software that is downloaded from the internet), is provided “as is” and without warranty.

## **Who Is Covered?**

This warranty extends only to the first consumer purchaser, and is not transferable.

## **What Will Motorola Do?**

Motorola, at its option, will at no charge repair, replace or refund the purchase price of any Products, Accessories or Software that does not conform to this warranty. We may use functionally equivalent reconditioned/refurbished/pre-owned or new Products, Accessories or parts. No data, software or applications added to your Product, Accessory or Software, including but not limited to personal contacts, games and ringer tones, will be reinstalled. To avoid losing such data, software

and applications please create a back up prior to requesting service.

## How to Obtain Warranty Service or Other Information

<b>USA</b>	<b>Phones</b> 1-800-331-6456 <b>Pagers</b> 1-800-548-9954 <b>Two-Way Radios and Messaging Devices</b> 1-800-353-2729
<b>Canada</b>	<b>All Products</b> 1-800-461-4575
<b>TTY</b>	1-888-390-6456
For <b>Accessories</b> and <b>Software</b> , please call the telephone number designated above for the product with which they are used.	

You will receive instructions on how to ship the Products, Accessories or Software, at your expense, to a Motorola Authorized Repair Center. To obtain service, you must include: (a) a copy of your receipt, bill of sale or other comparable proof of purchase; (b) a written description of the problem; (c) the name of your service provider, if applicable; (d) the name and location of the installation facility (if applicable) and, most importantly; (e) your address and telephone number.

## **What Other Limitations Are There?**

ANY IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, SHALL BE LIMITED TO THE DURATION OF THIS LIMITED WARRANTY, OTHERWISE THE REPAIR, REPLACEMENT, OR REFUND AS PROVIDED UNDER THIS EXPRESS LIMITED WARRANTY IS

THE EXCLUSIVE REMEDY OF THE CONSUMER, AND IS PROVIDED IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. IN NO EVENT SHALL MOTOROLA BE LIABLE, WHETHER IN CONTRACT OR TORT (INCLUDING NEGLIGENCE) FOR DAMAGES IN EXCESS OF THE PURCHASE PRICE OF THE PRODUCT, ACCESSORY OR SOFTWARE, OR FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, OR LOSS OF REVENUE OR PROFITS, LOSS OF BUSINESS, LOSS OF INFORMATION OR DATA, SOFTWARE OR APPLICATIONS OR OTHER FINANCIAL LOSS ARISING OUT OF OR IN CONNECTION WITH THE ABILITY OR INABILITY TO USE THE PRODUCTS, ACCESSORIES OR SOFTWARE TO THE FULL EXTENT THESE DAMAGES MAY BE DISCLAIMED BY LAW.

**Some states and jurisdictions do not allow the limitation or exclusion of incidental or consequential damages, or limitation on the length of an implied warranty, so the above limitations or exclusions may not apply to**

**you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state or from one jurisdiction to another.**

Laws in the United States and other countries preserve for Motorola certain exclusive rights for copyrighted Motorola software such as the exclusive rights to reproduce and distribute copies of the Motorola software. Motorola software may only be copied into, used in, and redistributed with, the Products associated with such Motorola software. No other use, including without limitation disassembly of such Motorola software or exercise of the exclusive rights reserved for Motorola, is permitted.

# Export Law Assurances

---

This product is controlled under the export regulations of the United States of America and Canada. The Governments of the United States of America and Canada may restrict the exportation or re-exportation of this product to certain destinations. For further information contact the U.S. Department of Commerce or the Canadian Department of Foreign Affairs and International Trade.

# Wireless Phone Safety Tips

---

## **Drive Safe, Call Smart <sup>SM</sup>**

**Check the laws and regulations on the use of wireless phones and their accessories in the areas where you drive. Always obey them. The use of these devices may be prohibited or restricted in certain areas. Contact [www.motorola.com/callsmart](http://www.motorola.com/callsmart) for more information.**

Your wireless phone lets you communicate by voice and data—almost anywhere, anytime, wherever wireless service is available and safe conditions allow. When driving a car, driving is your first responsibility. If you choose to use your wireless phone while driving, remember the following tips:

- **Get to know your Motorola wireless phone and its features such as speed dial and redial.** If available, these features help you to place your call without taking your attention off the road.
- **When available, use a handsfree device.** If possible, add an additional layer of convenience to your wireless phone with one of the many Motorola Original™ handsfree accessories available today.
- **Position your wireless phone within easy reach.** Be able to access your wireless phone without removing your eyes from the road. If you receive an incoming call at an inconvenient time, if possible, let your voice mail answer it for you.

- **Let the person you are speaking with know you are driving; if necessary, suspend the call in heavy traffic or hazardous weather conditions.** Rain, sleet, snow, ice, and even heavy traffic can be hazardous.
- **Do not take notes or look up phone numbers while driving.** Jotting down a “to do” list or going through your address book takes attention away from your primary responsibility—driving safely.
- **Dial sensibly and assess the traffic; if possible, place calls when your car is not moving or before pulling into traffic.** If you must make a call while moving, dial only a few numbers, check the road and your mirrors, then continue.

- **Do not engage in stressful or emotional conversations that may be distracting.** Make people you are talking with aware you are driving and suspend conversations that can divert your attention away from the road.
- **Use your wireless phone to call for help.** Dial 9-1-1 or other local emergency number in the case of fire, traffic accident, or medical emergencies.<sup>1</sup>
- **Use your wireless phone to help others in emergencies.** If you see an auto accident, crime in progress, or other serious emergency where lives are in danger, call 9-1-1 or other local emergency number, as you would want others to do for you.<sup>1</sup>

- **Call roadside assistance or a special non-emergency wireless assistance number when necessary.** If you see a broken-down vehicle posing no serious hazard, a broken traffic signal, a minor traffic accident where no one appears injured, or a vehicle you know to be stolen, call roadside assistance or other special non-emergency wireless number.<sup>1</sup>

1. Wherever wireless phone service is available.
