

AN ASSORTMENT OF
GOURMET ACCESSORIES
FOR ANY OCCASION

Since the discovery of fire, people have enjoyed outdoor cooking. Since then, outdoor enthusiasts have sought more convenient, powerful and professional barbecue grills and accessories. Homeowners around the world all have one thing in common: The desire to cook outdoors. Now you can do it with style and function! Cal Flame is the first and only manufacturer to offer you the commercial-grade equipment to build a true outdoor kitchen.

The very best in stainless steel grills and cooking peripherals can now be yours. Side burners, food warmers and outdoor refrigerators eliminate the need to run inside and keep you where you want to be the most: At the grill! Best of all, Cal Flame gives you the choice of grill accessories to personalize your barbecue island with your unique style of cooking. Add smoke trays, sear zones and deep fryers with ease. Our grills provide every convenience of an indoor kitchen...without the walls. Cal Flame: Gourmet grilling of the highest degree.

QUALITY YOU CAN TRUST

All Cal Flame grills series are ETL and CE listed and constructed using 304 or 430 Commercial Grade stainless steel, double-walled construction, and cast stainless steel or porcelain burners. Standard premium features include 3-5 burners; individual blowtorch igniters for each burner, infrared back burner, nighttime grill lights, full-length drip tray, and flavor bars. Cal Flame Grills are the hottest looking grills on the market, and the best performing. With designer knobs, exclusive V-shaped grates and polished stainless steel construction, looks alone can sear your steak.

1 Sturdy Construction

Seamless 304-gauge stainless steel hood with built-in temperature gauge for precision grilling.

2 Temperature Gauge

Precision cooking begins with just the right temperature. Extended prong for accurate cooking.

3 Durable Handle

Welded one-piece handle finished in high-polish.

4 Convenient Nighttime Grilling

Self-cleaning grill lights illuminate food for perfectly grilled meals every time.

5 New Warmer Rack Hideaway Hook

The warming rack suspends from convenient hooks when you just need more rotisserie space.

6 12V Rotisserie Roller

The built-in roller creates smooth, continuous turning of the rotisserie for more even cooking.

7 Rotisserie Cooking

The infrared backburner produces an intense heat, evenly cooking up to 35 lbs. on the rotisserie spit.

8 Reversible Rotisserie Hook-Up

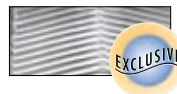

Rotisserie can be hooked directly to the grill, on either side, for its power source. With this unit attached to your Cal Flame grill you can turn a roast perfectly and guarantee you flawlessly cooked dishes.

9 Convection Grill

Unique technology offered only on Cal Flame grills features a powerful fan that circulates heat throughout the cooking area, eliminating cold zones and the need to shift food.

10 Smart Grilling

Cal Flame exclusive V-shaped grates keep smaller food from falling through.

11 Largest Grilling Surface Areas

Cal Flame offers 25% more grilling capacity than the competition.

12 Lifetime Guaranteed Cast Stainless Steel Burners

These commercial-grade burners emit 15000 BTUs each and features dedicated blowtorch ignition and control knobs.

13 Clean Knobs Every Time

Front panel controls are always protected by the one-piece splash guard.

14 One Hand Operation Knob

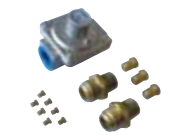

Cal Flame exclusive custom knobs feature one-hand operation with blowtorch ignition.

15 Easy Cleaning

The full-width drip tray catches all drippings and slides out for easy cleaning.

16 Conversion Kit

All Cal Flame grills are built for liquid propane, but come with natural gas conversion kits as standard.

OPTIONAL FEATURES

17 Lock in the Flavor

Substitute any grill burner with an optional sear zone to seal flavor and juices with a tasty crust.

18 Enjoy Smoked Barbecue

Any grill burner can also be substituted with a smoke tray to infuse food with smoky flavor.

WHAT MAKES A PERFECT OUTDOOR KITCHEN

Grills

You don't need to be a gourmet chef to prepare gourmet meals on these professional-grade drop-in grills. Cal Flame has the grill for you: From the expanded "G" Series to the classic line of 2- to 5-burner models (most with infrared backburners) to electric grills which are perfect for apartments to charcoal grills that will satisfy any purist.

Grill Accessories

Add even more functionality to your grill with powerful 12V rotisseries. The rotisserie basket makes it easy to prepare seafood and vegetables. Replace a burner with a sear zone or a smoke tray. Deep-fry foods right on the grill with the Deep Fryer Helper—designed exclusively for Cal Flame.

Side Burners

Convenient side burners make it easy to prepare multiple meals while you grill. Cook soups, stews and skillet dishes without having to run inside. Choose single and double side burners in the style that complements your backyard design.

Drop-In Accessories

Drop-in accessories give you the functionality you need to handle any event in your backyard or garden. Keep side dishes fresh with food warmers and make any drink with cocktail centers, blenders and ice chests. Prepare rare meals with a vertical grill, hibachi grill and deep fryer. At Cal Flame, it's all about choice.

Doors & Drawers

Have everything you need to grill the perfect steak close at hand with deep drawers and spacious storage. Cal Flame provides several options for storing spices, cooking utensils, propane, aprons and everything else you may need.

Ovens

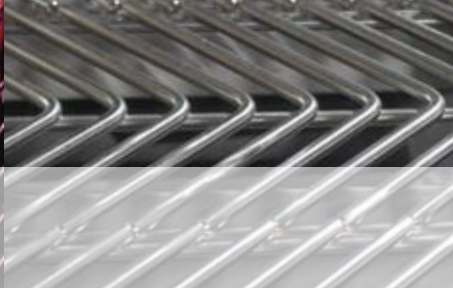

Enjoy the convenience of a food warmer that discreetly hides itself in a drawer. Kids will love the electric pizza oven drawer that can also double as a dish warmer for keeping meals hot.

Refrigerators & Ice Makers

Keep food fresh and ready for cooking or chill drinks with stainless steel refrigerators. Host keg parties in style with a built-in beer tap. Have sodas ready for the kids in the elegant beverage cooler. The Cal Flame ice maker ensures you never have to run to the store for more ice!

Accessories

When you're creating the perfect meal, the last thing you need are interruptions. That's why Cal Flame offers handy built-in tools like bottle openers, griddle trays and cutting boards.

GRILLS

This is the finest cooking equipment in the industry. Available in 2- to 5-burner, electric and charcoal configurations.

Ovens

Enjoy the functionality of baking pizza or keeping food warm.

SIDE BURNERS

Prepare side dishes while you grill the main course!

DROP-IN ACCESSORIES
