IN-LINE FINISHING

SIMPLE INTERFACE

REPORTS, MANUALS, AND MORE

Streamlined, reliable, and professional results.

Customers in today's market demand in-line finishing options. Now you can easily deliver high-quality, square-edged booklets that provide professional-looking results.

Synergy for in-line use with Canon production printers

The Square Fold Booklet-Maker and the Square Fold Booklet-Maker with Two-Knife Trimmer finishing solutions work in-line with Canon's imagePRESS® digital presses and the Océ VarioPrint® DP Line. These highly productive solutions provide professional, square-folded booklets that are ideal for a wide range of on-demand applications. For your most demanding customers, the Square Fold Booklet-Maker with Two-Knife Trimmer delivers complete, full-bleed printing and booklet-making. Reports, brochures, manuals, policy documents, and more can be quickly printed and finished in one streamlined operation, without the need for additional handling or finishing steps in between. The square-fold finish allows for printing on the spine, further increasing the booklet's value to the customer.

KEY FEATURES	SQUARE FOLD BOOKLET-MAKER	SQUARE FOLD BOOKLET-MAKER WITH TWO-KNIFE TRIMMER
Finishing Power	<ul style="list-style-type: none"> • Neat square-edged spine creator 	<ul style="list-style-type: none"> • Top and bottom trim • Neat square-edged spine creator

SQUARE FOLD BOOKLET-MAKER AND SQUARE FOLD BOOKLET-MAKER WITH TWO-KNIFE TRIMMER

PROFESSIONAL SQUARE SPINE

FULL-BLEED BOOKLETS

Precision finishing

Specially designed with an extended output belt for high reliability, the Square Fold Booklet-Maker and Square Fold Booklet-Maker with Two-Knife Trimmer can run long production cycles, without the need for operator intervention.

The Two-Knife Trimmer can be easily set up through a digital display. The side trim can be adjusted quickly and with precision. Various jobs can be saved in memory.

And its compact design means minimal production space is required to implement these expanded capabilities.
