Specification

Bluetooth Power Control	Class II
Frequency Band	2.40GHZ- 2.4835 GHZ Unlicensed ISM band
Interface	USB1.1
Sensitivity	-80dBm @0.1%BER
Transmission Power	0dBm
Data Speed	Up to 732 kbps
Operating Temperature	-10~55°C
Humidity	10%-90% non-condensing
DC Power	5V (from USB port)
Power Consumption	35mA
Operating Range	33feet+
Package Dimensions	14.5x20.5x5
Dimensions	6.9x1.9x0.85
Weight	10g
Package Weight	205g

FCC Safety Statements

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including interference that may cause undesired operation.

The radiated output power is far below the FCC Radio frequency exposure limits. Nevertheless, this device should be used in such a manner that the potential for human contact during normal operation is minimized.

Warning: Changes or modifications made to this equipment not expressly approved by Cellink Co., LTD. May void the FCC authorization to operate this equipment.

Important

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warranty

Cellink warrants that the Bluetooth Mouse adaptor shall conform to Cellink published specifications, which maybe subject to change, and remain free from defects in materials and workmanship under normal, proper and intended use for a period of one year from date of purchase, provide that proof of purchase be furnished with any returned equipment.

During the warranty period, if any component part of the equipment becomes defective by reason of material or workmanship, Cellink is immediately notified of such defect. Cellink shall supply a replacement part or request return of equipment, freight prepaid, and its designated facility for repair. In the event that no fault is found on a product returned for repair, Cellink reserves the right to charge the customer its standard published repair charge.

This warranty shall not apply to any product that has been subject to misuse, bending, twisting, neglect, alteration, improper installation, operation outside of the parameters of the published specification, use in any non-approved countries or unauthorized repair performed by anyone other than a Cellink designated repair facility. Any non-warranty repairs or maintenance shall be at Cellink's standard rates in effect at the time.

This warranty is in lieu of all other warranties, whether expressed, implied, or statutory, including but not limited to, implied warranties or merchantability and fitness for a particular purpose. In no event shall Cellink be liable, whether in contract, in tort, or on any other basis, for any damage sustained by its customers or any other person arising from or related to loss of use, failure or interruption in the operation any products, or delay in maintenance, or for incidental, consequential, indirect, or special damages or liabilities, or for loss of revenue, loss of business, or other financial loss arising out of or in connection with the sale, lease, maintenance, use, performance, failure, or interruption of these products.
