WARNING: Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the State of California to cause cancer. Avoid inhaling wood dust or use a dust mask or other safeguards for personal protection. For more information go to www.P65Warnings.ca.gov/wood.

FCC Notice:
This device complies with Part 15 of the FCC Rules. Operation is subject to the two following conditions:
1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

FCC Warning
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
FCC RF exposure statement:
To maintain compliance with FCC's RF Exposure guidelines, This equipment should be installed and operated with minimum distance between 20cm the radiator your body.
FCC ID : 2AS5O-S074B

CHELSEA
WIRELESS SOUNDBAR & SPEAKER

User Manual for MI-S074B

IN THE BOX: Wireless Soundbar & Speaker, Micro USB Cable, User Manual

Bluetooth®

IMPORTANT: PLEASE READ BEFORE USING THIS PRODUCT

BACK

Connecting to the Soundbar

USB & SD Card — The Chelsea soundbar will automatically switch to this mode when a USB drive or SD card is detected. The Chelsea Soundbar recognizes and plays MP3 audio files automatically. Play, pause, skip, and repeat tracks with the on-board controls.

Aux Input — Simply connect a device to the soundbar via the aux input and play your music instantly, adjusting the volume on both the device and the speaker.

Bluetooth — With the soundbar Bluetooth mode, go to your device's Bluetooth settings and search for new devices. In a moment, "Merkury S074B" should appear. Tap it and a sound should emit from the soundbar to indicate the device is connected!

NOTE: Soundbar will always auto-pair with your device as long as it is in range and your device's Bluetooth is enabled.

FM Mode — Always press and hold the scan button when using the radio for the first time. This will scan for nearby stations.

Specs

Specifications:

Talk Time: Up to 5 Hours*

Bluetooth® Information:
Bluetooth® Specification: V5.0
Operating Distance: Up to 10m
System Requirements: Bluetooth® enabled device

*Depends on individual use and may be slightly more or less than the time specified.

Troubleshooting

|	
No power	Recharge the soundbar using the included micro USB cable. Try using a different cable.
Music is not playing over Bluetooth	Make sure your Bluetooth® device has A2DP profile. Check if both devices are paired and connected over Bluetooth®. Restart the speaker to reconnect your Bluetooth® device.
Bluetooth device will not reconnect with the speaker	Navigate to your Bluetooth® settings menu on your Bluetooth® device, tap "Merkury S074B" and select "Forget." Now follow the steps to pair your device again.

Powering The Soundbar

- Be sure the soundbar is fully charged using the included charging cable. The indicator light will glow red when charging and will turn off when charging is complete.
- The power switch is located on the back of the soundbar.
- The speaker will emit a low chime when the battery is running low.
