

2011/2010 Condensed Catalog Price List Addendum - Pricing Effective January 1, 2011

The current 4/1/10 Condensed Catalog & Price List will continue to be used through the 2011 calendar year along with the 2011 Price Addendum. This price addendum is effective 1/1/2011 and supersedes the List Price printed in our catalog. Model option prices remain as printed on the catalog pages. AutoQuotes reflects our new pricing as of 1/1/2011.

All 2010 pricing will be honored until January 31, 2011 based on the following conditions:

2010 project quotations with PO's received at SCC by 1/31/11, to ship no later than 2/28/11.

Orders that are complete at factory with manufacturing specs & firm ship date.

Incomplete orders at factory, as long as complete by 1/31/11 & ship no later than 2/28/11.

All "pending" quotations will fall under these conditions as listed.
