**TAC-48GS**

**Vertical Air Curtain:**  
*Glass Sided Refrigerator*

**TAC-48GS**

- ▶ True's air curtain merchandisers are designed with enduring quality that protects your long term investment.
- ▶ Designed using the highest quality materials and components to provide the user with colder product temperatures and lower utility costs in an attractive merchandiser that brilliantly displays food and beverages.
- ▶ Large, open front allows easy access to display levels and places maximum attention on merchandising.
- ▶ Oversized, factory balanced, refrigeration system holds 33°F to 38°F (.56°C to 3.33°C).
- ▶ Exclusive, reversing condenser fan motors reduce maintenance costs and optimize cabinet performance.
- ▶ Durable and permanent non-peel or chip white vinyl exterior with white aluminum interior and 300 series stainless steel floor and deck pans.
- ▶ Entire cabinet structure is foamed-in-place using high density, CFC free, polyurethane insulation.
- ▶ Adjustable, heavy duty PVC coated shelves.

**APPROVALS:**

Model:  
**TAC-48GS**

**Vertical Air Curtain:**  
*Glass Sided Refrigerator*

**STANDARD FEATURES**

**DESIGN**

- Designed using the highest quality materials and components to provide the user with colder product temperatures and lower utility costs in an attractive merchandiser that brilliantly displays food and beverages.

**REFRIGERATION SYSTEM**

- Factory engineered, self-contained, capillary tube system using environmentally friendly (CFC free) R404A refrigerant.
- Time initiated, time terminated off cycle defrost system.
- Extra large evaporator coil and condenser balanced with higher horsepower compressor; maintains 33°F to 38°F (.56°C to 3.33°C) for the best in food preservation.
- Sealed, cast iron, self-lubricating evaporator fan motors and larger fan blades give True air curtain cabinets a superior low velocity, high volume airflow design. This unique design insures colder more consistent temperature throughout the cabinet interior.
- Bottom mounted condensing unit positioned for easy maintenance.
- Exclusive reversing condenser fan motors. Fan motors reverse during defrost cycles to help keep condenser coil free from dirt, dust and debris; keeping coils clean optimizes the unit's performance providing colder holding temperatures and increased energy efficiency. Regularly scheduled thorough cleaning

of coils still recommended.

**CABINET CONSTRUCTION**

- Exterior - durable and permanent non-peel or chip white vinyl front and sides with matching white aluminum back. Attractive, stainless steel contoured front accent panel.
- Plexiglass lower front and side panels. Durable and break resistant maximizes product visibility.
- Interior - attractive, NSF approved, white aluminum liner. 300 series stainless steel interior floor and deck pans.
- Insulation - entire cabinet structure is foamed-in-place using high density, CFC free, polyurethane insulation.
- Cabinet mounted on a welded, heavy duty galvanized frame rail. Rail dipped in rust inhibiting enamel paint for corrosion protection inside and out. Rail fitted with leg levelers.

**SHELVING**

- Four (4) adjustable, heavy duty PVC coated wire shelves 44" L x 17" D (1118 mm x 432 mm). Four (4) chrome plated shelf clips included per shelf.
- Shelf support pilasters made of same material as cabinet interior; shelves are adjustable on 1/2" (13 mm) increments.

**LIGHTING**

- Fluorescent interior lighting, safety shielded.
- T8 bulbs and electronic ballast; provides better illumination of product and increased energy efficiency.

**MODEL FEATURES**

- Perforated interior back wall for superior airflow.

**ELECTRICAL**

- Unit completely pre-wired at factory and ready for final connection to a 208-230V / 60 Hz single phase 15 amp dedicated outlet. Cord and plug set included.

208-230/60/1  
NEMA-6-15R

**RECOMMENDED OPERATION CONDITIONS**

- TAC models are designed to operate in an environment where temperature and humidity do not exceed 75°F (24°C) and 55% relative humidity.
- Unit **should not be installed** near HVAC vents, fans or doorways that will disrupt the air curtain and compromise the function of the cabinet. Unit should not be installed in direct sunlight.

**OPTIONAL FEATURES/ACCESSORIES**

- Variety of sign panels - see our website for the latest color and sign offerings.
- Stainless steel exterior.
- Black exterior.
- Black interior with black shelves.
- Pricing strips.
- Remote cabinets (condensing unit supplied by others), consult factory technical service department for BTU information.

**PLAN VIEW**

**WARRANTY**  
One year warranty on all parts & labor and an additional 4 year warranty on compressor. (U.S.A. only)
