GPSYNC WATCH

INTRODUCTION

The Callaway GPSync Watch combines elite performance on the course with an elegant, fashionable design. Hit more greens and minimize penalty strokes by knowing precise distances to the front, center, and back of the green, as well as distances to hazards and doglegs. Synchronize with your Smartphone to receive texts, missed calls, and other notifications.

SYNC WITH SMARTPHONE

To receive notifications complete the following steps:

Note: Notifications must be turned on in **Settings** on the watch. (See page 17).

Note: Bluetooth® must be enabled on Smartphone.

1. Download and install **GPSync APP** (Search "GPSync")
APP ICON

2. Open APP on smartphone.

3. For Apple™: Click [⬜] icon (top right corner)

For Android™: Click **Scan** (top right corner)
*ANDROID IS A TRADEMARK OF GOOGLE INC.

4. *Press & Hold* the **[DOWN]** button until Bluetooth® icon appears on top left corner then *Release* button.

TUE
02:41
11|18|14

5. Select **Callaway GPSync** device on APP.

6. Watch and application are now paired. Notifications can now be received on the Watch. (Missed Calls, Text, etc.)

• Saved round data will be uploaded from the watch to the application. (See page 11).

7. Connection range is approximately 15-30 ft. If the two devices are separated by more than 15-30 ft, the pairing will disconnect. Watch & Smartphone will automatically reconnect once devices are back within the connection range.

Note: Bluetooth® icon is located at the bottom of the screen while in **Play Mode.**

8. While out of connection range, Bluetooth® icon will flash. Once reconnected, Bluetooth® icon will stop flashing and remain solid. There could be a delay (1-3 min.) after reconnecting and receiving a notification on the watch.

Note: Compatibility depends on model of Smartphone and version of operating software. Features may vary or could be limited due to compatibility conflicts.
For Apple™: Compatible with iPhone® 4S or later.

For Android™: Compatible with Samsung Galaxy S5, Nexus 4&5, hTC One M8, (must be originally installed with OS 4.4 or later). Compatibility and functionality can vary from one Smartphone to another.

*ANDROID IS A TRADEMARK OF GOOGLE INC.

GPSYNC MONTRE

INTRODUCTION

La montre Callaway GPSync combine performance d'élite et design tendance et élégant. Frappez plus souvent sur le vert en connaissant la bonne distance de l'avant, du centre et de l'arrière du vert. Limitez les coups de pénalité en connaissant les distances de l'avant, du centre et de l'arrière des obstacles et & doglegs. Synchronisez votre téléphone intelligent pour recevoir des notifications pour les appels manqués, les messages texte, et les courriels. Enfin, il s'agit d'une montre de golf GPS haute-performance avec assez de style pour la porter hors du parcours de golf!
