

## 1.6 User Manual

### LOSTDOG™ Quick Start Guide

#### Step 1: Download the LostDog™ App

For iPhone or iPad users:  
Search for the "LostDog" app on the AppStore,  
or scan the QR code to download the app.

For Android users:  
Search for the "LostDog" app on the Play store,  
or scan the QR code to download the app.

#### Step 2: Connect the LostDog™ key fob with your phone

1. Insert the battery into the key fob (see the diagram below).
2. Open the LostDog™ App on your phone, the app will search for your key fob and connect with it (you can select your key fob from the devices list if it doesn't automatically connect).

#### Step 3: Customize your LostDog™ keyfob's settings

Select your watch from the devices list in the LostDog™ App and tap the settings button to customize your key fob's alerts and COMMAND button actions. You can customize the COMMAND button to:

- Check in on Facebook 
- Drop a pin 
- Take a picture 
- Find your phone

**FCC/ Industry Canada Notice**

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference. (2) This device must accept any interference received, including interference that may cause undesired operation.

In compliance with Industry Canada regulations, technical specifications have been provided in a declaration of conformity. This does not imply that Industry Canada approved the equipment.

Caution: Changes or modifications to this Bluetooth® headset not expressly approved by the party responsible for compliance could void the user's authority to operate it.

**Certification and Safety approvals**

This product is CE marked according to the provisions of the R&TTE Directive (99/5/EC).

We declare that this product is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC. For further information, please refer to website.

**Bluetooth®** Bluetooth® is a trademark owned by Bluetooth SIG, Inc. and is used by the manufacturer under license.

**Note on environmental protection:**

After the implementation of the European Directive 2002/96/EU in the national legal system, the following applies: Electrical and electronic devices may not be disposed of with domestic waste. Consumers are obliged by law to return electrical and electronic devices at the end of their service lives to the public collecting points set up for this purpose or point of sale. Details to this are defined by the national law of the respective country. This symbol on the product, the instruction manual or the package indicates that a product is subject to these regulations. By recycling, reusing the materials or other forms of utilizing old devices, you are making an important contribution to protecting our environment.
