RE: Certification for Continental Transmitter

FCC ID: M3N-40821302
Canada IC: 7812A-40821302

USERS MANUAL & COMPLIANCE STATEMENT

The Continental Transmitter is sold only as part of a vehicle by retail automobile dealers and as such has no separate manual. The exhibit is provided electronically to the vehicle manufacturer after submission.

The compliance statement for Continental Transmitter will be integrated by the OEM into the vehicles owner's manual. It will read:

This device complies with part 15 of the FCC rules and with RSS-210 of industry Canada. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received , including interference that may cause undesired operation.

WARNING: Changes or modifications not expressively approved by Continental could void the user's authority to operate the equipment.
