

Declaration of Sales Brochure and Owner's Manual

The CNAD4DO device with IC ID (2807E-CNAD4DO) is a proprietary CDMA/EV-DO-based Telematics device designed and manufactured by Continental Automotive Systems, Inc. Because the CNAD4DO is not intended for sale as a stand-alone device or offered for sale to general public, the owner's manual and sales brochure are not applicable to this product.

Sincerely,

James Zhang
