/Contents (1.      Connect the charger to the mains outlet. Do not switch on.\r2.
      Connec\
t the Transmitter and receiver as shown in the diagram above.\r3. The Mi\
crophone s plug must be fully inserted. Intentionally the Receiver s plu\
g stops just short of full insertion.\r4. Switch Charger on at the mains\
. The charger indicators will start to flash, this indicates that the ch\
arging process has begun.\r5. Charging time is approximately 2 hours dep\
ending on the condition of the batteries.\r6.  When the batteries are ful\
ly charged the indicators will stop flashing and be on constantly.\r7.  T\
he Converter is now ready for use.\r)
