FCC ID: QA6-CONVERSTV
IC: 5529A-CONVERSTV

This device complies with Part 15 of the FCC Rules. Operation is subject to the condition that this device does not cause harmful interference. This device may not interfere with TV reception or Federal Government radar.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

When this transmitter is operating, users should ensure that no other radio transmitter – such as cell phones – are operating within 20 cm of it.

***For the European Union and EEA only**
This symbol indicates that this product is not to be disposed of with your household waste, according to the WEEE Directive (2002/96/EC) and your national law. This product should be handed over to a designated collection point, e.g., on an authorized one-for-one basis when you buy a new similar product or to an authorized collection site for recycling waste electrical and electronic equipment (WEEE). Improper handling of this type of waste could have a possible negative impact on the environment and human health due to potentially hazardous substances that are generally associated with WEEE. At the same time, your cooperation in the correct disposal of this product will contribute to the effective usage of natural resources. For more information about where you can drop off your waste equipment for recycling, please contact your local city office, waste authority, approved WEEE scheme or your household waste disposal service.
