Re: Door Control Products Pricing Adjustments

We remain committed to providing you with innovative, high-quality products. The same level of vigor is employed to improve efficiencies and reduce costs throughout our operations. We have made a concerted effort to absorb increased costs thus far. However, we will be unable to continue to offset the extraordinary increases in raw material, tariff and transportation costs that are expected to continue into 2019.

Effective January 1, 2019, **Corbin Russwin, Norton/RIXSON, SARGENT, and Yale Commercial** will be implementing price adjustments on all door control products, including closers, operators and accessories. The January 1, 2019 price books will supercede all other price books.

The amount of the increase varies by brand. Approximate average increases are:

<b><u>DOOR CONTROLS &amp; PARTS</u></b>	<b><u>AVERAGE INCREASE</u></b>
Corbin Russwin	5.5%
Norton/RIXSON	4.5%
SARGENT	5.0%
Yale Commercial	4.5%

By November 30, 2018, updated price books will be available in digital format on the digital library for easy searchability, download and printing. The brand name above is also a link that will direct you to each brand's digital library.

To reduce waste in support of our sustainability goals, printed price books will be available only to those customers who register to receive a printed copy between November 12<sup>th</sup> and December 15<sup>th</sup> through this link:

**<http://www.nacorporation.com/registration/pricebooks>**

User IDs and passwords will be issued to registrants every Monday. You will receive a user ID, password and instructions on how to login and reserve your printed copies of the price book. Price books will begin shipping the week of December 15<sup>th</sup> on a first-come, first-served basis determined by using the date/time of registration online.

For assistance, please call 1-800-508-5426. A representative of NVISION, our print and order fulfillment company, will be happy to help you through the registration/order process.

Important dates relevant to the implementation of the January 1, 2019 price books are outlined on the following page.

Thank you for your continued support and partnership.

## Ordering Tips

- Please submit **Quick Ship Program Orders** and **Plant Product Orders** on separate order forms.
- Please use **Quick Ship Program Forms** for all **Quick Ship Product Orders** and include **Quick Ship Part Numbers**.
- **Order Forms** are included in the Price Book and at [www.corbinrusswin.com](http://www.corbinrusswin.com).
- We recommend using the **Order Form** included with this Price Book when placing purchase orders for Corbin Russwin products. The **Order Form** is available for copying prior to placing your order.
- Please include **Job Name and Registry Number** for all contract orders.
- Be sure to include **Voltage** on all Electrified Hardware orders.
- A **Letter of Authorization** is required for all Protected and Pyramid Keyways.
- **Keyed Lead Sheets A and B** are *recommended* for contract orders that are keyed to existing Master Key systems.
- Remember to include **Keysets** on all contract orders.
- Be sure to include **Handing** for all unit locks, mortise locks and exit devices.
- If you have a **Quote**, please include it with the purchase order. Orders without this information may be delayed.

## Ordering Tip — Administrative Documentation

When submitting purchase orders to ASSA ABLOY Door Security Solutions® Consultants for processing, please remember that certain cylinder types and/or keyways require additional administrative documentation before the order can be entered.

Purchase orders will be held and questioned if the following keyway/cylinder types do not have the proper administrative documentation submitted with each purchase order:

- Protected and Pyramid keyway products
- Security cylinders and keys
- High security cylinders and keys

All of the above product types must be accompanied by additional administrative documents unless they are shipping direct to the end user facility. These administrative documents include, but may not be limited to, the following:

- Letter of Authorization – must be submitted on the end user facility letterhead, dated and signed by an authorized individual from the facility. Letter must be quantity specific for certain product types. ASSA ABLOY Door Security Solutions Consultants does not keep letters of authorization on file.
- Registration Certificate – only required for Pyramid systems.

**Terms and Conditions****ACCEPTANCE**

Corbin Russwin reserves the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion.

Purchase Orders, Quote Requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on Corbin Russwin, unless such terms and conditions are approved in a separate written agreement by Corbin Russwin's authorized representatives. In the event of an acceptance of Purchaser's Purchase Order by Corbin Russwin, the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in Purchaser's Purchase Order. The terms and conditions in Purchaser's Purchase Order which conflict with the terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between Corbin Russwin and the Purchaser.

In the event that Corbin Russwin does not enforce or require strict performance of any term or condition hereof, or of any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of Corbin Russwin to enforce or require strict performance of such term or condition in the future.

**PRICES**

All prices are subject to change without notice and are not guaranteed. All shipments will be made at prices in effect at the time of shipment.

Possession of this price list does not constitute an agreement to sell.

We reserve the right to correct clerical, stenographic and other obvious errors at any time.

**TERMS**

Invoices dated the 1st through the 15th will be due for 2% discount on the \*10th of the following month. Invoices dated the 16th through the 31st will be due for 2% discount on the \*25th of the following month. \*Net immediately thereafter. (Corbin Russwin retains the right to sell or to decline to sell to any Customer for any reason whatsoever when in its judgment is deemed sufficient.)

It is understood that Corbin Russwin may impose and charge a finance charge which is the lesser of one and one-half percent (1-1/2%) per month or the highest rate allowed by law on any amount which becomes past due and delinquent. Additionally the Customer shall be responsible for all collection costs, court costs and reasonable attorney's fees (where allowed by law) in connection with the recovery of any delinquent amount.

**FREIGHT**

All orders are shipped FOB factory/warehouse, except as expressly provided below. When delivered to the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

Customer orders with net product value in excess of \$12,000.00 will be shipped prepaid by Corbin Russwin's carrier of choice to a single destination point in the United States.

Customer orders with net product value less than \$12,000.00 will be shipped prepaid by Corbin Russwin's carrier of choice and freight and handling charges will be added to the customer's invoice.

A minimum freight and handling charge of \$15.00 will be charged on orders with net product value of \$400.00 or less. The minimum freight and handling charge will not apply to orders for only Cut (bitted) keys of any type, Master Keys, Master keyed cylinders or padlocks and factory generated biting lists that do not have any other product types included on the order. Freight on these orders will be charged as the percentage of invoice value.

For orders with net product value greater than \$400.00 and less than \$12,000.00, freight charges will be calculated as a percentage of the net invoice value and will be added to Customer's invoice. The percentage is based on the National U.S. Average On Highway Diesel Fuel Prices as reported by the US Department of Energy in effect at the beginning of each quarter. On the first Monday of each quarter, the new rate will be published on the Corbin Russwin and Door Security Solutions extranet and will go into effect on the 2nd Monday of the quarter. Please refer to the extranet for the rate chart and information on the current freight charge percentage. The percentage in effect at the time of shipment of the order will be charged.

Great Grand Master keys, Grand Master keys, Master keys, Construction Master keys, Control Keys, Lot Day Keys which are shipped separate from customer order for security reasons, on orders with total net product value in excess of \$12,000.00 will be shipped prepaid by Corbin Russwin's carrier of choice. If the total order value is less than \$12,000.00, the shipping charges will be added to Customer's invoice.

If a customer provides their own freight account # for the freight charges, Corbin Russwin will apply a handling fee of \$25.00 to the invoice.

Quick Ship Orders – All 1-Week Quick Ship orders are guaranteed to ship from Corbin Russwin 5 working days after receipt of all information necessary to process order or Corbin Russwin will pay freight costs. If Quick Ship is held for credit reasons Corbin Russwin will not be responsible for freight costs.

Expedited shipping options – If the customer requests an expedited method of shipment such as "Next Day Air" the charges will be prepaid by Corbin Russwin and the full rate for the service, as published by the carrier, will be added to the customer's invoice.

**Terms and Conditions continued**

Packing – Corbin Russwin will pack, mark and ship the products according to its standard procedures for shipment, unless the parties agree, in writing, that Corbin Russwin will comply with any special instructions provided by the customer. Special instructions must be submitted, in writing, at time of order placement. Compliance with special instructions may result in an increased price.

**MINIMUM ORDER**

Minimum order value for complete product is \$250.00 net product value. The minimum order value for parts orders is \$100.00 net product value. In the event that the net product value does not meet the required net minimum, Corbin Russwin may, at its sole discretion (a) apply a minimum order charge, (b) reject the order or (c) waive the minimum requirement provided that the waiver of the requirement for one order shall not constitute a waiver of the requirement for any future orders.

The following products are exempt from this policy: Cut (bitted) Keys of any type, Master Keyed Cylinders, Master Keyed Padlocks and Factory Generated Bitting Lists.

**QUOTATIONS**

If Corbin Russwin elects to offer a quote, such quote will be valid until the expiration date on that quote. Complete shipment of the order must be accepted by Purchaser within standard manufacturing lead times. The quote number must be referenced on the order. Any invoiced order that has the incorrect discount applied to it and did not have the quote number written on the order will have a service fee of \$100.00 net DEDUCTED from any sales credit issued for the difference in discount. The quote is null and void if the Purchase Order does not include ALL product lines listed on the quote or if the quantities for any item covered by the quote deviate by 10% or more. With the issuance and acceptance of a quote for the purchase of products, the Purchaser agrees that products so purchased will not be resold or transferred to any Distributor not authorized by Corbin Russwin to sell its products. This would be inclusive of branches of the quoted Distributor. Failure to abide by this restriction may result in the Distributor's ineligibility for Quotations, or other actions in Corbin Russwin's discretion. Corbin Russwin and its sales representatives reserve the right, in their sole discretion and for any reason, to refuse a Distributor's request to quote a price other than Corbin Russwin's standard list price and regardless of whether Corbin Russwin or its sales representatives have previously quoted discounted prices to the Distributor on some or all of its orders.

**NON-CATALOGED PRODUCTS**

Products not cataloged or listed in this price book will be considered as special products, and will not be manufactured without prior written approval from Corbin Russwin. A minimum special handling charge of \$50.00 will be added for non-cataloged product. Any additional labor or material required will be charged accordingly. Special products require special handling, and therefore standard lead times may not apply. Please consult with your Sales Representative for further details.

**CHANGES/CANCELLATION OF ORDERS**

Changes or cancellations to an order will result in a charge of costs for material and labor expenses that have been incurred prior to notification from Customer. If products have already been made and/or are located in the shipping room, the 45% restocking fee will apply. Handling charges are billed on Customer's original order. All Non-Cataloged Goods and Corbin Russwin Quick Ship Orders may not be changed or cancelled.

**ADD-ON ORDERS TO QUOTE**

Any new order requesting special pricing to match an existing quote number, which has already been ordered, will be accepted up to sixty (60) days after the acknowledgement of the original order. All add-on orders must reference the original factory order number, and the corresponding quote number to receive the quoted pricing discount. Add-on orders for stock will not be accepted.

**PACKAGING**

Many items are defined as to Case Lot Packaging or Minimum Order. The Case Lot policy does not apply to hardware to be used on a specific hardware project.

**DELIVERY**

Orders will be acknowledged and given a scheduled delivery date based on estimated manufacturing lead times. Complete information is required to process all orders. Orders with insufficient information for processing (i.e. keying information, door sizes, handing, etc.) may be subject to extended lead times which are relative to the time required in obtaining the necessary information for order processing. Manufacturing lead time will begin once all information is received to process an order. Corbin Russwin will use reasonable efforts to deliver products as estimated, but makes no guarantees as to delivery dates. Corbin Russwin will not be liable for back charges incurred based on availability of product or as a result of delays in delivery caused by insufficient information required to process an order. Corbin Russwin will not be held responsible for delays in delivery caused by strikes, fires, floods or any other causes beyond our control, including the delivery of material to us. Under no circumstances shall Corbin Russwin be liable or accountable for consequential damages due to failure of delivery.

**CLAIMS**

In the event of Company or Customer error, claims for shortages, pricing errors and/or incorrectly filled orders must be submitted in writing to Customer Service within thirty (30) days from receipt of material. Any claims for shortages or damage by the Carrier must be made by the Customer directly to the Carrier.

**Terms and Conditions continued****INVOICE DEDUCTION**

A Corbin Russwin Sales Representative or Customer Service Representative must be notified of any disputed invoices within sixty (60) days from the date of invoice. Deductions should only be taken for the disputed amount and the balance of the invoice is due and payable within standard payment terms.

**RETURNED GOODS**

It is the policy of Corbin Russwin to not accept returns of any materials that are correctly furnished as per the Distributor's Purchase Order. Return of product due to customer order error or accommodation must be pre-arranged with Corbin Russwin and approved in writing by Sales Management.

All products returned as "Goodwill" must meet the following criteria to be considered a return:

- Be in original, unmarked and undamaged cartons.
- Be valued in excess of \$250.00 net.
- Shipped and invoiced within the previous one hundred twenty (120) days.
- Custom, non-cataloged goods, master-keyed or Corbin Russwin Quick Ship product is not returnable.

A MINIMUM restocking fee of 45% will be charged. Upon receipt and verification by Corbin Russwin that the returned merchandise meets the foregoing conditions, a credit will be issued for the original invoice amount less the MINIMUM 45% restocking fee.

Defective goods and "Goodwill" products that meet the foregoing criteria may be returned by fulfilling the following conditions:

- Send an RGA request in writing to the Corbin Russwin Sales Representative serving the Purchaser's area.
- Ensure the RGA labels that are sent to Purchaser by Corbin Russwin are visible on return goods shipment.
- Ensure that the RGA number appears on the return shipment label and is legible.
- Return the authorized merchandise within sixty (60) days from the date of RGA issuance date.
- Return shipments must be freight prepaid to the location specified on the RGA.
- Corbin Russwin is not liable for damages to product during shipping.

No credit may be taken or issued prior to RGA approval and receipt of product.

All defective goods within the terms of our limited warranty may be returned for credit or replacement.

**RETURNED GOODS – ELECTROMECHANICAL**

All defective replacement requests for electromechanical products/components must be authorized by contacting the Electromechanical Applications Team at 1-800-810-WIRE to obtain a case number. In order to receive credit for the replacement of an electromechanical product the following criteria needs to be met:

- Defective product return must be under warranty
- Defective product/component return must arrive at factory within 60 days of the Returned Goods Authorization issuance
- Returned product must be found defective or nonfunctional upon test at factory
- Returned product must not have been damaged during installation process

**TAXES**

Prices do not include any present or future Federal, State, or Local property, license, privilege, sales, use, excise, gross receipts or other like taxes or assessments, which may result from transactions or any services performed in connection herewith.

**GOVERNING LAW**

The rights and obligations of the parties shall be governed by the laws of the State of North Carolina, excluding any conflicts of law provisions. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.

**LIMITED WARRANTY**

The Terms and Conditions outlined above are subject to Corbin Russwin's Limited Warranty, which is included in this Price List and incorporated herein by reference.

**PRODUCT MODIFICATIONS**

Corbin Russwin products are not designed or intended for aftermarket modification. The warranty on Corbin Russwin products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. Warranty voiding modifications include, but are not limited to, third-party electrification of non-electric products and/or the installation of non-approved or non-Corbin Russwin components.

If a Corbin Russwin product is modified it no longer meets industry certification and quality control standards applicable to the original product and is no longer a genuine Corbin Russwin product. A modified product may not be sold as a Corbin Russwin product and the Corbin Russwin and Design® trademark or certification marks based on the original Corbin Russwin product, such as U.L. or ANSI/BHMA marks, may not appear anywhere on the modified product or on any packaging, literature, or instructions sold with the modified product.

All original Corbin Russwin packaging and literature carries the Corbin Russwin and Design® trademark and must be destroyed if the original Corbin Russwin product is modified. Portions of the product that carry the Corbin Russwin and Design® trademark or certification mark must be discarded and/or replaced by the party making the modification. U.L. and other certification testing and marking are also the responsibility of the party making modification. The use of the Corbin Russwin and Design® trademark on modified products constitutes trademark infringement.

**Terms and Conditions continued****FIRE RATED OPENINGS**

Any retrofit or other field modification to a fire rated opening can potentially impact the fire rating of the opening, and Corbin Russwin, Inc. makes no representations or warranties concerning what such impact may be in any specific situation. When retrofitting any portion of an existing fire-rated opening, or specifying and installing a new fire-rated opening, please consult with a code specialist or local code official (Authority Having Jurisdiction) to ensure compliance with all applicable codes and ratings.

The following policy ("Policy") of ASSA ABLOY Americas ("ASSA ABLOY"), and all of its affiliated group companies (collectively, the "Group Companies"), applies to the use of certain intellectual property of all such Group Companies, including all trademarks, names, logos, product images, and related information (the "ASSA ABLOY Marks"). ASSA ABLOY Marks are proprietary and critical to the success of ASSA ABLOY and the Group Companies, and may only be used in strict compliance with this Policy.

This Policy covers any person or entity reselling any product of any Group Company with the consent of such Group Company (each, an "Approved Reseller"). Each Approved Reseller has a non-exclusive right to use certain of the ASSA ABLOY Marks relating to any of the Group Companies for which it is an Approved Reseller, subject to the following conditions:

- (1) Approved Reseller's use of ASSA ABLOY Marks must be truthful, fair, and not misleading;
- (2) Approved Reseller's advertising must clearly indicate that it is advertising of the Approved Reseller, and is not advertising of ASSA ABLOY;
- (3) Approved Reseller may not use any ASSA ABLOY Marks as part of or in connection with a domain name;
- (4) Approved Reseller's advertising must not imply or suggest an association between the Approved Reseller and ASSA ABLOY other than that of buyer and seller;
- (5) Approved Reseller's use of ASSA ABLOY Marks must be a positive representation of ASSA ABLOY, the Group Companies, and their products;
- (6) Approved Reseller's trade name must be more predominant on Approved Reseller's advertising than the ASSA ABLOY Marks;
- (7) Approved Reseller's use of ASSA ABLOY Marks must include the trademark symbol ® or ™, as appropriate, along with the following trademark legend printed in legible text on the Web page or document containing ASSA ABLOY Marks: "[describe ASSA ABLOY Marks] are trademarks or registered trademarks of ASSA ABLOY, Inc. or one of its affiliates in the United States and other countries.";
- (8) Approved Reseller must not make modifications of any ASSA ABLOY Marks; and
- (9) Approved Reseller may use only ASSA ABLOY Marks associated with the Group Companies for which it is an Approved Reseller (e.g., an Approved Reseller that sells Group Company X products but not Group Company Y products may use Group Company X trademarks in connection with its sale of Group Company X products, but may not use Group Company Y trademarks).

ASSA ABLOY reserves the right to review Approved Reseller's usage of ASSA ABLOY Marks at any time and may:

- (a) require changes to the use of ASSA ABLOY Marks at any time in its sole discretion, which changes must be implemented within 30 days of written notice to Approved Reseller;
- (b) condition the use of ASSA ABLOY Marks on ASSA ABLOY's prior approval of such use, which approval may be withheld in its sole discretion;
- (c) revoke permission to use ASSA ABLOY Marks at any time for any or no reason upon 30 days prior written notice to Approved Reseller; and
- (d) revoke permission to use ASSA ABLOY Marks immediately upon notice to Approved Reseller in the event Approved Reseller is in violation of this Policy, or of any other agreement with ASSA ABLOY or any Group Company.

Approved Reseller's right to use ASSA ABLOY Marks in no way conveys to Approved Reseller any proprietary or economic interest in any ASSA ABLOY Marks.

Use of ASSA ABLOY Marks in violation of this Policy may result in severe civil and criminal liabilities. ASSA ABLOY will vigorously enforce this Policy by seeking all appropriate legal remedies, including, but not limited to, pecuniary damages and injunctive relief.

If there are any questions on this policy, please contact Linda Dean at [ldean@assaabloyusa.com](mailto:ldean@assaabloyusa.com) or 203-498-5596.

**TECHNICAL INFORMATION AND ADVICE**

(a) All designs, data, and specifications provided by Company are proprietary and will not be disclosed or reused by Customer without the prior written consent of Company; (b) Company assumes no obligation or liability for any advice given by Company, the results obtained, or damages incurred, and all such advice is given and accepted at Customer's risk.

**Limited Warranty**

Corbin Russwin, Inc. (Company) warrants that its products sold under the Corbin Russwin and Design® trade name in the United States of America are free from defects in workmanship and materials under normal use and service. This warranty does not cover defects or damage arising from improper installation, lack of or improper maintenance, improper storage, shipping and handling, corrosion, erosion, ordinary wear and tear, misuse, abuse, accident, unauthorized service, or use with unauthorized non-Corbin Russwin products or parts. This warranty is void if any modification is made to the warranty product, regardless of whether the modification causes or contributes to the alleged defect. All modifications are made at the risk of the party making the modification.

The only liability of the Company in tort or contract whether under this warranty or otherwise shall be limited to the repair or replacement of any product or component part which shall prove defective as covered by this warranty, within the stated time frame listed below, after delivery to the original purchaser.

**Finishes:**

Corbin Russwin finishes are covered by a limited warranty period of one year after invoice date.

**Warranty Requirements for Cylinders Factory or Field Combined:**

Cylinders are lubricated at the factory with a petroleum based lubricant (Medeco KeyLube). Cylinders should be lubricated periodically depending upon environmental conditions. Petroleum based lubricant is recommended. Never mix petroleum based lubricants with dry lubricants. Corbin Russwin cylinder and/or core warranty will be voided if used in non-Corbin Russwin locking devices.

**Warranty Requirements for Cylinders Field Combined:**

1. Keys shall be cut to the Corbin Russwin key biting specifications required for the particular keyway and depth system.
2. All pin lengths shall be selected according to prevailing factory standards.
3. Original Corbin Russwin cylinders and cylinder components, including pin tumblers and key blanks, shall be used. We reserve the right to void the warranty if we deem that a malfunction is a result of non-original components which do not conform to Corbin Russwin standards.

**Keying Systems:**

All bittings shall be originated or authorized by the Corbin Russwin Key Systems Department to be compatible with one another in a specific type of cylinder (Pyramid, conventional, security, master ring, interchangeable core) and within a particular keying system.

All components of electromagnetic products are covered by a limited warranty period of one year after invoice date thereof of the original purchaser from us. Product repair or replacement, or associated charges, will not be accepted under this warranty unless prior authorization from Corbin Russwin has been given. Upon receipt of products returned for repair or replacement, we will determine whether products qualify for repair or replacement under this warranty. If they do not, we will obtain authorization prior to proceeding.

We have no liability to pay any costs of repair performed by anyone other than qualified personnel authorized by Corbin Russwin prior to the work being done.

**Terms and Conditions continued**

The Company will not pay for the cost of repair performed other than in accordance with this warranty. Written notice of a product or component part believed to be defective as covered by this warranty should be sent to Corbin Russwin, Inc. 225 Episcopal Road, Berlin, CT 06037, and should include your name and address, an identification of the product or component part and a brief description of the defect. Upon receipt of such notice, the Company will inform you where to ship such product or component part, shipping charges prepaid, for examination and, in the event such examination reveals defect covered by this warranty, the product will be repaired or replaced. The Company reserves the right to replace discontinued product with an equivalent product as deemed by the Company.

THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES. TO THE EXTENT PERMITTED BY LAW, ALL IMPLIED WARRANTIES ARE LIMITED TO THE DURATION OF THIS WARRANTY. CORBIN RUSSWIN, INC. SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES. NO AGENT, SALES REPRESENTATIVE OR DEALER HAS THE AUTHORITY TO INCREASE OR ALTER THE OBLIGATIONS OF THIS WARRANTY. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

## Keyway Availability

Corbin Russwin keyways are separated into categories known as **Key Classes**, based on blade width and bitting dimensions. **Certain key blanks and cylinders are not available for certain key classes**, and notes to that effect appear in the catalog and price book. If you find a keyway exclusion notice and do not know the class of the keyway you need, refer to the list below.

Some keyways listed here are *inactive*. They remain available to support existing systems, but no *new systems* are generated on them.

Keyway	Remarks

N1 thru N28	N Class (inactive)
Pyramid	Pyramid
Protected	DH or Z Class
Restricted	DH or Z Class

## Keyway Name Changes

All Multiplex Keyways using letters with numbers are now standardized to have the letter first and number last. Also, keyway designation will no longer include the number of pins. K and Z designations are being replaced by the more common N and A Series, respectively. 960 and 970 Series are replaced by the more common 980 Series. Only the following Russwin® older keyways are affected:

Old Designation	Pins	New Designation
1N thru 28N	6	N1 thru N28
1K thru 28K	5 or 7	N1 thru N28
1A thru 24A	5	A1 thru A24
1Z thru 24Z	6	A1 thru A24
961, 962, 963	6	981, 982, 983
971, 972, 973	7	981, 982, 983

Category	Description	Price

## Key Systems Security Policy

The purpose of this security policy is to enforce our policies Access 3, Pyramid, Security, Protected & Restricted keyway product, including key system information.

No master key system information or security related product is to be given or sold to anyone other than the facility owner through written correspondence. Verification must be submitted (fax copy will be acceptable) to Key Systems Administration. The verification must be on the facility's letterhead and signed by a facility authorized systems administrator. Key Systems Administration does not maintain "Letters of Authorization" on file. Each order must be accompanied by proper authorization. Only after the authorization has been verified will the order be processed for production.

Also includes:

- Bitting information (even one bitting, absolutely no top-level master keys)
- Bitting lists (all formats; i.e., hard copy, disc)
- Key blanks and systems components for Access 3, Pyramid, protected and security cylinder systems.

Please note:

- No orders are to be processed through Key Systems Administration without proper authorization.
- Only orders with appropriate authorization attached will be given priority.
- Requests for systems information without proper authorization from the owner will be denied.
- Requests for information regarding the purchase of any systems support products as listed above will be referred to the local authorized sales agency.
- Refer to the current price lists for additional policies and procedures as they relate to this security policy.

Remember:

The purpose for the establishment of any security system is to provide an increased level of protection for the Facility owner.

## Construction Core Program

### How To Order

Use Quick Code CT6 for 6-PIN, CT7 for 7-PIN, and CTP for Access 3, Pyramid IC products. Use a separate purchase order or line item to order the permanent systems' core.

### Cut Keys

Specify the required number of change keys and control keys on the order. Two control keys are provided at no charge. Two change keys are provided at no charge for the first 20 units ordered. One additional change key is provided for every 10 additional units at no charge.

Examples: 25 units provide 2 operating keys; 30 units provide 3; 100 units provide 10. Additional keys will be invoiced at the prevailing cut key price.

### How To Return Cores

Contact your Customer Service Representative for a Returned Goods Authorization.

Provide the factory order number and year of the original order. Credit is issued for all cores returned in good operating condition, based on the price of a standard 6- or 7-pin core at the time of the original order.

Applicable discounts to the original unit are applied to the returned core.

Current pricing is as follows:	Price
6-PIN CONSTRUCTION CORE: (e.g. 8000-CT6) returned for credit	\$74.00
7-PIN CONSTRUCTION CORE: (e.g. 8000-CT7) returned for credit	\$76.00

### Bitting Lists

A letter of authorization from the end user is required to release a copy of the bitting lists for a factory established system. To protect the security of keying systems, bitting lists will only be sent to the end user or his designated agent, via Certified Mail Return Receipt Requested or UPS AOD. Copies will not be transmitted via fax. The complete name and address where the bitting list is to be sent must be indicated on the letter of authorization and on the purchase order.

Master key system bitting lists will not be created by Corbin Russwin Key Systems Administration unless the request is accompanied by an order for factory keyed product. Corbin Russwin releases all liabilities for cylinders not pinned to factory master key systems.

The PathLite™ patent pending technology offers a number of benefits:

- Requires no wiring or maintenance
- Recharges with exposure to ambient light
- Unaffected by heat or cold
- Non-toxic, will not rub or fade
- Vandal resistant
- Fire resistant and non-radioactive
- Green contrasting word "EXIT" centered on touchbar in 1-1/4" high lettering
- Cost effective; especially suited for existing buildings

PathLite™ photoluminescent exit devices meet New York City's newly adopted standards for requirement of photoluminescent signage and stairwell markings in all office buildings in excess of 75 feet in height.

The PathLite™ patent pending technology offers a number of benefits:

- Requires no wiring or maintenance
- Recharges with exposure to ambient light
- Unaffected by heat or cold
- Non-toxic, will not rub off or fade
- Vandal resistant
- Fire resistant and non-radioactive
- Green contrasting word "EXIT" centered on touchbar in 1-1/4" high lettering
- Cost effective; especially suited for existing buildings

PathLite™ photoluminescent exit devices meet New York City's newly adopted standards for requirement of photoluminescent signage and stairwell markings in all office buildings in excess of 75 feet in height.
