WARNING

Hearing Comfort and Well-Being

- Do not play your personal audio at a high volume. Hearing experts advise against continuous extended play.
- If you experience a ringing in your ears, reduce volume or discontinue use.
- Traffic Safety**
- Do not use while operating a motorized vehicle. It may create a traffic hazard and is illegal in many areas.
- You should use extreme caution or temporarily discontinue use in potentially hazardous situations.
- Do not turn up the volume so high that you cannot hear sound around you.

CAUTION

To reduce the risk of electrical shocks, fire, etc.

- Do not disassemble or modify the unit.
- Do not allow flammable, water or metallic objects to enter the unit.

For your safety...

- Stop using the headphones if they are causing great discomfort or irritation on the skin and the ears. They may damage your skin and cause rash or inflammation.
- If ear piece or other parts of headphones become lodged in your ear, be careful not to push it deep into the ear canal and seek skilled medical assistance to remove the piece. Damage to the ear may be caused by non-professionals attempting to remove the piece.
- Store the ear pieces in a safe place where children cannot reach them to avoid the risk of a possible accident or hazard such as swallowing them.
- In dryer air conditions such as in winter, you may feel some static shock when using the headphones.
- When in use you may sometimes hear friction noise, this is caused by the cord rubbing against your clothing while walking or during exercise.

Precautions for use

- Do not use any USB cables other than the ones provided.
- Do not use supplied USB cable for any other equipment.
- For replacement of the ear pieces, please consult your local dealer.
- These headphones are compliant with IPX4. Do not submerge them in water.
- Be sure to close the USB terminal cover during use.

NOTE

If the System does not work correctly, charge the System to reset it.

Specifications

BLUETOOTH

For U.S.A.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

For U.S.A.

This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

AVERTISSEMENT

Confort d'écoute et bien-être

- N'utilisez pas votre appareil audio personnel à un volume trop élevé. Les professionnels de l'audition déconseillent une écoute prolongée.
- Si vous entendez des sonorités dans vos oreilles, réduisez le volume ou arrêtez d'utiliser l'appareil.

Sécurité relative à la circulation

- N'utilisez jamais un casque en conduisant une voiture, une bicyclette. Cela peut être dangereux et est illégal dans beaucoup de régions.
- Vous devez faire très attention ou arrêter temporairement d'utiliser l'appareil dans les situations dangereuses.
- Ne réglez pas le niveau sonore maximum de telle sorte que vous ne pourriez plus entendre ce qui se passe autour de vous.

PRÉCAUTIONS

Afin d'éviter tout risque d'électrocution, d'incendie, etc.

- Ne démontez pas et ne modifiez pas le casque.
- Veillez à ce qu'aucun produit inflammable, eau ni objet métallique ne pénètre à l'intérieur du casque.

Pour votre sécurité...

- Arrêtez d'utiliser le casque si vous avez une sensation désagréable ou si vous ressentez des démangeaisons. Cela pourrait irriter votre peau et causer une inflammation.
- Si une oreille ou une autre pièce du casque d'écoute est coincé dans votre oreille, faites attention de ne pas la pousser trop profondément dans le canal auditif et demandez une aide médicale pour retirer la pièce. L'oreille peut être endommagée si une personne non professionnelle essaie de retirer la pièce.
- Rangez les oreillettes dans un endroit sûr et hors de la portée des enfants afin d'éviter tout risque possible d'accident et en particulier qu'ils soient avalés.
- Quand l'air est sec comme en hiver, vous pouvez ressentir un choc statique lors de l'utilisation du casque.
- Quand il est en cours d'utilisation, vous entendrez parfois un bruit de friction, il est causé par le frottement du cordon sur vos vêtements pendant que vous marchez ou faites de l'exercice.

Précautions d'utilisation

- N'utilisez aucun autre câble USB que ceux fournis.
- N'utilisez pas le câble USB fourni pour un autre appareil.
- Ce casque d'écoute est compatible avec IPX4. Ne l'immergez pas dans l'eau.
- Assurez de fermer le couvercle de la prise USB pendant l'utilisation.

ADVERTENCIA

Confort y salud de su audición

- No reproduzca sonidos con el volumen alto. Los expertos en audición desaconsejan la reproducción continua por períodos prolongados.
- Si escucha un zumbido en sus oídos, reduzca el volumen o deje de utilizarlos.

Seguridad en el tráfico

- No los utilice cuando conduzca un vehículo a motor. Podría provocar un accidente de tránsito y es ilegal en muchos lugares.
- En situaciones potencialmente peligrosas debe tener suma precaución o dejar de utilizarlos.
- No ponga el volumen tan alto que impida oír lo que ocurre a su alrededor.

PRECAUCIÓN

Para reducir el riesgo de descargas eléctricas, fuego, etc.

- No desmonte ni modifique los auriculares.
- No permita que objetos inflamables, metálicos o agua entren en los auriculares.

Por su seguridad...

- Deje de usar los auriculares si le provocan irritación o molestias en la piel y en los oídos. Pueden dañar la piel, causando sarpullidos o inflamación.
- En el caso de que el audífono u otras partes de los auriculares quede atrapado dentro de su oído, tenga la precaución de no empujarlo dentro del canal auditivo y comuníquese inmediatamente con un médico. Para evitar daños en el oído, no permita que personas inexpertas intenten extraer la pieza atrapada.
- Guarde las almohadillas en un lugar seguro y fuera del alcance de los niños para evitar la posibilidad de una ingestión accidental.
- En condiciones de aire seco, como en invierno, podría sentir una descarga electrostática mientras utiliza los auriculares.
- Algunas veces puede sentir ruido de fricción durante el uso que ocurre habitualmente al frotar el cable contra su ropa mientras camina o hace ejercicios.

Precauciones al utilizar la unidad

- No utilice ningún cable USB distinto de los suministrados.
- No utilice el cable USB suministrado con ningún otro equipo.
- Estos auriculares cumplen con IPX4. Evite sumergirlos en agua.
- Asegúrese de cerrar la tapa del terminal USB durante el uso.

NOTA

Si el sistema no funciona correctamente, realice la carga del sistema para reiniciarlo.

PARTS (right earphone)

POWER button

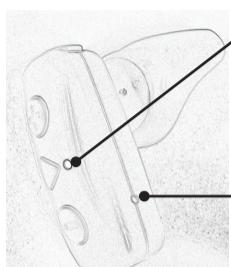

CHARGING

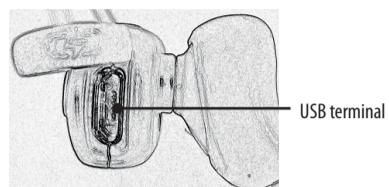

<EN>

- The LED lights up in red, and charging starts. When charging is complete, the indicator goes out.
- When the remaining battery power is low, the alarm sounds every 2 minutes.
- Operation is not possible while charging.

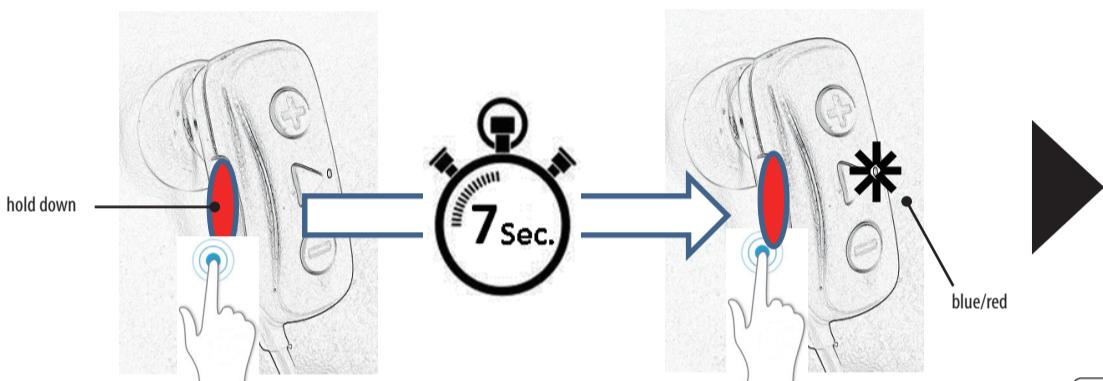

Indicator

Microphone

USB terminal

CONNECTING

<EN>

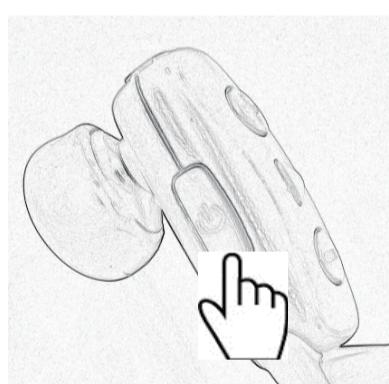

When the power is off, hold the POWER button down (for at least 7 seconds) until the indicator flashes in red and blue.

<EN>

- Select "JVC HA-F250BT" from the device list. The indicator flashes in blue when pairing is complete.
- During the pairing process, the other device may require input of a PIN code. In such a case, enter "0000" as the PIN code for the System.

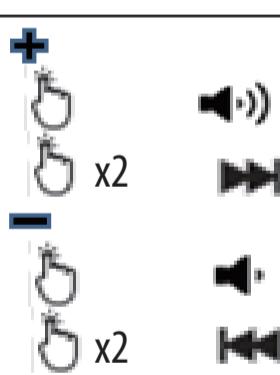

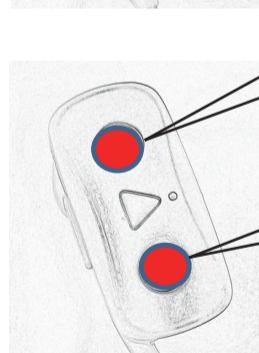

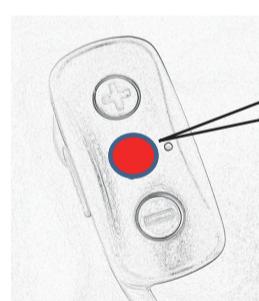

ON and OFF

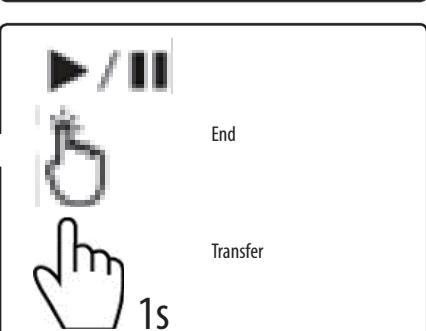

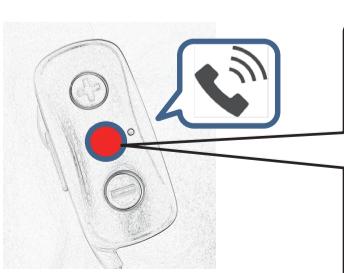

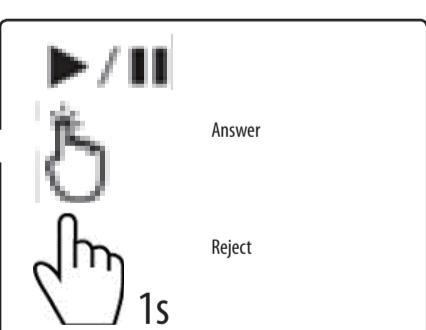

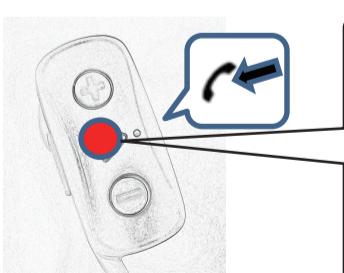

<EN>

- ON** : The indicator lights up in blue for 1 second. The indicator flashes slowly in blue when the unit is connected, and flashes slowly in red when the unit is not connected.
- OFF** : The indicator lights up in red for 1 second.
- If no BLUETOOTH device is connected for about 6 minutes, the System automatically turns itself off.
- When you turn on the unit for the first time after purchasing, the LED flashes in red and blue alternately and pairing begins automatically.

MUSIC

PHONE

<EN>

- The medium-size silicone ear pieces are attached when purchased.
- You may not enjoy the bass sound fully if the ear pieces do not fit your ears. To enjoy better sound while reducing sound leakage, choose the other pair of ear pieces (three sizes of silicone ear pieces) and adjust their positions to fit them to your ears.
- Attach the ear pieces firmly when replacing them; failure to do so may result in the ear pieces getting lodged in your ear canal when removed, thus becoming a possible health hazard.
- The ear pieces deteriorate with age even in normal use and maintenance.
- When this product gets dirty, clean the surface with a damp cloth. Do not wash with water

Cleaning and replacing the ear pieces
