各设备间均已建立连接并实现配对，但无法播放音乐。应该怎么办？  
对于某些内置蓝牙功能的电脑、第三方 USB 设备发射器或其他设备，您可能需要将音频输出手动指定/设置为 Creative D100 (例如，在您的电脑操作系统的声音与音频设备一栏)。详情请参阅制造商提供的说明文档。

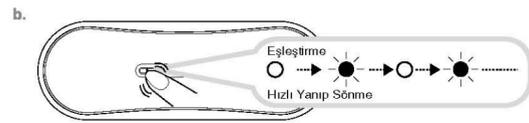

注意：通过音箱传出的音频可能会有延迟。这是由于蓝牙技术的特性所决定的。

注意：将电源适配器连接到主设备时，Creative D100 不会为放入的 AA 电池充电。

## 2. Bluetooth cihazlardan müziğin keyfini çıkarın

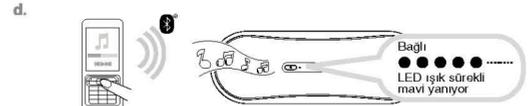

Hoparlörü açtığınızda LED durum ışığı yeşil yanacaktır. Bu, gürültü ortamında hoparlörün herhangi bir cihaza bağlı olmadığını gösterir.

CONNECT (BAĞLAN) düğmesine basın ve 3 saniye süreyle basılı tutun, 2 bip sesi duyduğunuzda ve LED ışık mavimsi yanıp söndüğünde bırakın.

- Cihazınızın Bluetooth özelliğini açın.
- Creative D100'u bulun.
- Eşleştirin ve D100'a bağlayın.
- Eşleştirme başarıyla gerçekleşti, müzik çalmaya hazır.

- Maksimum veya minimum ses düzeyine ulaştığında bip sesleri duyulacaktır.
- Not: Aşağıdakilerden birini yaparak en son bağlanmış veya daha önce bağlanmış bir cihazı tekrar bağlanabilirsiniz:
- \* AÇIK konumdayken CONNECT düğmesine bir kez basın
- \* Hoparlör herhangi bir cihaza bağlı değilken Bluetooth cihazınızdan bir bağlantı başlatın

**Eşleştirilen cihazlar arasında geçiş yapma**  
Aşağıdaki adımları izleyerek bağlı durumda cihazınızda daha önce bağlanmış cihazınız arasında geçiş yapın

İşlem	1 saniye süreyle "CONNECT" düğmesine basın
Göstergeler	D100 LED ışığı yanıp sönmeye başlar ve sürekli mavimsi yanar
Durum	Müzik çalmaya hazır

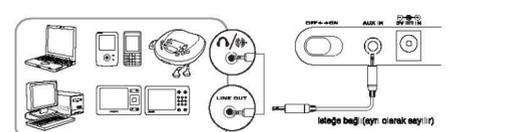

Not: Bir sonraki eşleştirilen cihazda Bluetooth özelliğini AÇIK ve bağlantı kabul etmeye hazır olduğundan emin olun.

**Fabrika ayarlarına sıfırlama**  
D100'de fabrika ayarlarına geri dönmek ve eşleştirilen cihaz belleğini temizlemek için aşağıdaki adımları izleyin.

İşlem	Hoparlör AÇIK konumdayken CONNECT düğmesine bas ve 10 saniye süreline basılı tutun
Durum	Göstergeler D100 LED ışığı yanıp sönmeye başlar ve sürekli mavimsi yanar

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:  
• Reorient or relocate the receiving antenna.  
• Increase the separation between the equipment and receiver.

## California Proposition 65 Statement

**WARNING:** Handling this product may expose you to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.  
Wash hands after handling.  
**Explanatory Note:** California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) requires special product labeling for products containing certain chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Creative has chosen to provide a warning based on its knowledge about the presence of one or more listed chemicals without attempting to evaluate the level of exposure. With Creative's products, the exposure may be below the Proposition 65 level of concern, or could even be zero. However, out of an abundance of caution, Creative has elected to place the Proposition 65 warning on its products.

**Déclaration de la Proposition 65 de la Californie**  
**AVERTISSEMENT:** La manipulation de ce produit peut vous exposer à des produits chimiques qui sont reconnus par l'État de la Californie comme pouvant provoquer le cancer, des anomalies congénitales ou d'autres effets nuisibles à la reproduction. Veuillez vous laver les mains après l'avoir manipulé.

**Note explicative:** La Proposition 65 (California Safe Drinking Water and Toxic Enforcement Act of 1986) de la Californie sur les matières dangereuses et l'eau potable exige un étiquetage spécial pour les produits contenant certains produits chimiques qui sont reconnus par l'État de la Californie comme pouvant provoquer le cancer, des anomalies congénitales ou d'autres effets nuisibles à la reproduction. Creative a choisi d'inclure une mise en garde s'appuyant sur sa connaissance de la présence d'un ou de plusieurs de ces produits chimiques sans essayer d'en évaluer le niveau d'exposition. Pour les produits de Creative, le niveau d'exposition peut être inférieur au niveau critique établi par la Proposition 65 ou même être nul. Néanmoins, par souci extrême de prudence, Creative a choisi de placer l'avertissement de la Proposition 65 sur ses produits.

**WARNING:** Handling this product may expose you to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.  
Wash hands after handling.  
**Explanatory Note:** California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) requires special product labeling for products containing certain chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Creative has chosen to provide a warning based on its knowledge about the presence of one or more listed chemicals without attempting to evaluate the level of exposure. With Creative's products, the exposure may be below the Proposition 65 level of concern, or could even be zero. However, out of an abundance of caution, Creative has elected to place the Proposition 65 warning on its products.

**Déclaration de la Proposition 65 de la Californie**  
**AVERTISSEMENT:** La manipulation de ce produit peut vous exposer à des produits chimiques qui sont reconnus par l'État de la Californie comme pouvant provoquer le cancer, des anomalies congénitales ou d'autres effets nuisibles à la reproduction. Veuillez vous laver les mains après l'avoir manipulé.

**Note explicative:** La Proposition 65 (California Safe Drinking Water and Toxic Enforcement Act of 1986) de la Californie sur les matières dangereuses et l'eau potable exige un étiquetage spécial pour les produits contenant certains produits chimiques qui sont reconnus par l'État de la Californie comme pouvant provoquer le cancer, des anomalies congénitales ou d'autres effets nuisibles à la reproduction. Creative a choisi d'inclure une mise en garde s'appuyant sur sa connaissance de la présence d'un ou de plusieurs de ces produits chimiques sans essayer d'en évaluer le niveau d'exposition. Pour les produits de Creative, le niveau d'exposition peut être inférieur au niveau critique établi par la Proposition 65 ou même être nul. Néanmoins, par souci extrême de prudence, Creative a choisi de placer l'avertissement de la Proposition 65 sur ses produits.
