

# Safety and Regulatory Information

The following sections contain notices for various countries.

**CAUTION:** This product is intended for use with FCC/CE certified computer equipment. Please check the equipment operating/installation manual and/or with the equipment manufacturer to verify/confirm if your equipment is suitable prior to the installation or use of the product.

## Notice for the USA

### Federal Communication Commission (FCC) Interference Statement

**FCC Part 15:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference, and
- This device must accept any interference received, including interference that may cause undesired operation.

**CAUTION:** To comply with the limits of the Class B digital device, pursuant to Part 15 of the FCC Rules, this device must be installed with computer equipment certified to comply with Class B limits.

All cables used to connect to the computer and peripherals must be shielded and grounded. Operation with non-certified computers or non-shielded cables may results in

interference to radio or television reception.

**MODIFICATION:** Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the device.

## **Federal Communication Commission (FCC) Radiation Exposure Statement**

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

For body operation, ZiiO (FCC ID: IBAPMT-FL05) has been tested and meets the FCC RF exposure guidelines when used directly against the body. Specific Absorption Rate, or SAR is a measurement of radio frequency energy. The FCC permits a maximum SAR value of 1.6 mW/g. The highest SAR value for this product when used on the body, as described in this user's guide, is 1.107 mW/g.

## **California Proposition 65 Statement**

**WARNING:** Handling this product may expose you to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

***Wash hands after handling.***

**Explanatory Note:** California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65) requires special product labeling for products containing certain chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Creative has chosen to provide a warning based on its knowledge about the presence of one or more listed chemicals without attempting to evaluate the level of exposure. With Creative's products, the exposure may be below the Proposition 65 level of concern, or could even be zero. However, out of an abundance of caution, Creative has elected to place the Proposition 65 warning on its products.

## **DECLARATION OF CONFORMITY**

Manufacturer / Importer's Name :  
**Creative Labs, Inc.**

Manufacturer / Importer's Address :  
**1901 McCarthy Boulevard  
Milpitas, CA. 95035**

## **United States**

**Tel: (408) 428-6600**

declares under its sole responsibility that the product

Brand Name :

**Creative**

Model Name :

**PMT-FL05**

has been tested accordingly to the FCC/CISPR22 requirement for class B devices and found compliant with the following standards:

**EMI/EMC: ANSI C63.4, FCC Part 15 Subpart B & C**

**Complies with Canadian ICES-003 Class B and RSS-210 Standards**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesirable operation.

Ce matériel est conforme à la section 15 des règles FCC. Son Fonctionnement est soumis aux deux conditions suivantes:

1. Le matériel ne peut être source D'interférences et
2. Doit accepter toutes les interférences reçues, Y compris celles pouvant provoquer un fonctionnement indésirable.

## **Déclaration de la Proposition 65 de la Californie**

**AVERTISSEMENT:** La manipulation de ce produit peut vous exposer à des produits chimiques qui sont reconnus par l'État de la Californie comme pouvant provoquer le cancer, des anomalies congénitales ou d'autres effets nuisibles à la reproduction.

***Veillez vous laver les mains après l'avoir manipuler.***

**Note explicative:** La Proposition 65 (California Safe Drinking Water and Toxic Enforcement Act of 1986) de la Californie sur les matières dangereuses et l'eau potable exige un étiquetage spécial pour les produits contenant certains produits chimiques qui sont reconnus par l'État de la Californie comme pouvant provoquer le cancer, des anomalies congénitales ou d'autres effets nuisibles à la reproduction. Creative a choisi d'inclure une mise en garde s'appuyant sur sa connaissance de la présence d'un ou de plusieurs de ces produits chimiques sans essayer d'en évaluer le niveau d'exposition. Pour les produits de Creative, le niveau d'exposition peut être inférieur au niveau critique établi par la Proposition 65 ou même être nul. Néanmoins, par souci extrême de prudence, Creative a choisi de placer l'avertissement de la Proposition 65 sur ses produits.

## Notice for Canada

This Class B digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesirable operation.

Son Fonctionnement est soumis aux deux conditions suivantes :

- (1) Le matériel ne peut être source D'interférences et
- (2) Doit accepter toutes les interférences reques, Y compris celles pouvant provoquer un fonctionnement indésirable.

**CANADIAN CLASS B STATEMENT:** This digital device does not exceed the Class B limits for radio noise emissions from digital apparatus as set out in the interference-causing equipment standard entitled "Digital Apparatus," ICES-003 of the Department of Communications.

Cet appareil numérique respecte les limites de bruits radioélectriques applicables aux appareils numériques de Classe B prescrites dans la norme sur le matériel brouilleur: "Appareils Numériques," NMB-003 édictée par le ministre des Communications.

**MODIFICATION:** Any changes or modifications not expressly approved by the grantee of this device could void the user's authority to operate the device.

Toute modification non approuvée explicitement par le fournisseur de licence de l'appareil peut entraîner l'annulation du droit de l'utilisateur à utiliser l'appareil.

## European Compliance

This product conforms to the following:  
EMC Directive 2004/108/EC.

Mains operated products for the European market comply with Low Voltage Directive 2006/95/EC and Commission Regulation(s) Implementing Directive (2005/32/EC).

Communication / RF wireless products for the European market comply with R&TTE Directive 1999/5/EC.

**CAUTION:** To comply with the Europe CE requirement, this device must be installed with CE certified computer equipment which meet with Class B limits.  
All cables used to connect this device must be shielded, grounded and no longer than 3m in length. Operation with non-certified computers or incorrect cables may result in interference to other devices or undesired effects to the product.

**MODIFICATION:** Any changes or modifications not expressly approved by Creative Technology Limited or one of its affiliated companies could void the user's warranty and guarantee rights.

## DECLARATION OF CONFORMITY

According to LVD Directive (2006/95/EC) and R&TTE Directive (1999/5/EC)

Company Name :  
Creative Technology Ltd

Company Address :  
31, International Business Park  
Creative Resource

Singapore 609921

Declare under our sole responsibility that the product(s):

Product Name:

**ZiiO**

Model Name:

**PMT-FL05**

External Power Adapter Model Number:

**GPE125-050200-Z**

Intended Use:

**Indoor and Outdoor Usage**

Restrictive Use:

**France and Italy (for indoor use only)**

To which this declaration relates are in conformity with the following standard(s):

R&TTE :

- EN 300 328 V1.7.1:2006

UK: Hereby, Creative Technology Ltd. declares that this Wireless LAN & Bluetooth device is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC

FR: Par la présente Creative Technology Ltd. déclare que l'appareil Wireless LAN & Bluetooth device est conforme aux exigences essentielles et aux autres dispositions pertinentes de la directive 1999/5/EC

IT: Con la presente Creative Technology Ltd. dichiara che questo Wireless LAN & Bluetooth device è conforme ai requisiti essenziali ed alle altre disposizioni pertinenti stabilite dalla direttiva 1999/5/EC

DE: Hiermit erklärt Creative Technology Ltd dass sich Creative dieser / diese/ dieses Wireless LAN & Bluetooth device in Übereinstimmung mit den grundlegenden Anforderungen und den anderen relevanten Vorschriften der Richtlinie 1999/5/EG befindet". (BMWi)

ES: Por medio de la presente Creative Technology Ltd. Declara que el Wireless LAN & Bluetooth device cumple con requisitos esenciales y cúa lesquiera otras disposiciones aplicables o exigibles de la Directiva 1999/5/CE

NL: Bij deze verklaart Creative Technology Ltd. dat deze Wireless LAN & Bluetooth device vol doet aan de essentiële eisen en aan de overige relevante bepalingen van Richtlijn 1999/5/EC.

PT: Creative Technology Ltd. declara que este Wireless LAN & Bluetooth device está conforme com os requisitos essenciais e outras dis posições da Directiva 1999/5/EC

SV: Härmed intygar Creative Technology Ltd. att denna Wireless LAN & Bluetooth device står i överensstämmelse med de väsentliga egenskapskrav och övriga relevanta bestämmelser som framgår av direktiv 1999/5/EG

DA: Undertegnede Creative Technology Ltd. erklærer herved, at følgende udstyr Wireless LAN & Bluetooth device overholder de ogøvrigte relevante krav i direktiv 1999/5/EF.

FI: Creative Technology Ltd. vakuuttaa täten että Wireless LAN & Bluetooth device tyyppinen laite on direktiivin 1999/5/EY oleellisten vaatimusten ja sitä koskevien direktiivin muiden ehtojen mukainen.

NO: Creative Technology Ltd. erklærer herved at denne Wireless LAN & Bluetooth device er i overensstemmelse med vesentlige krav og andre relevante bestemmelser i EU-direktivet 1999/5/EC.

RU: Creative Technology Ltd. Wireless LAN & Bluetooth device

No. 1999/5/EC

PL : Creative Technology Ltd. stwierdza niniejszym, że Wireless LAN & Bluetooth device spełnia podstawowe wymagania orazinne właściwe rzeczowo warunkami Dyrektywy 1999/5/EC.

CZ: Creative Technology Ltd. tímto potvrzuje, že Wireless LAN & Bluetooth device splňuje podstatní požadavky a jiné závazné předpisy Direktivy 1999/5/EC.

HU: Ezennel a Creative Technology Ltd. kijelenti, hogy a Wireless LAN & Bluetooth device megfelel az alapvető követelményeknek, valamint a 1999/5/EK számú direktíva egyéb releváns elvárásainak.

EL: \Με το παρόν, η Creative Technology Ltd, δηλώνει ότι το Wireless LAN & Bluetooth device συμμορφώνεται με τις βασικές προδιαγραφές και τις λοιπές σχετικές

προποθσεις της οδηγας 1999/5/EC.

LT: „Creative Technology Ltd.“ deklaruoja, kad garsiakalbiai „Wireless LAN & Bluetooth device“ atitinka esminius direktyvos 1999/5/EB reikalavimus ir kitas atitinkamas jos nuostatas.

SK: Spolo•nos• Creative Technology Ltd. týmto deklaruje, že tento výrobok Wireless LAN & Bluetooth device je v súlade so základnými požiadavkami a ostatnými relevantnými ustanoveniami Nariadenia 1999/5/EC.

## WEEE Statement

The use of the WEEE Symbol indicates that this product may not be treated as household waste. By ensuring this product is disposed of correctly, you will help protect the environment. For more detailed information about the recycling of this product, please contact your local authority, your household waste disposal service provider or the shop where you purchased the product.

## Batteries Directive 2006/66/EC

### **FOR REMOVABLE BATTERY (Li-ion/polymer, button/coin cells, cylindrical cells)**

This product contains one or more of the above removable batteries. The crossed-out wheeled bin symbol indicates that the battery in this product should not be treated as unsorted municipal waste upon reaching its end of life. Instead it should be taken to separate collection and recycling schemes. Batteries containing heavy metal content will have a two-letter symbol for the chemical under the crossed-out wheeled bin symbol. 'Cd' stands for cadmium, 'Pb' for lead, and 'Hg' for mercury. You can help the environment and avoid public health hazards by recycling the battery at an authorized recycling facility or the place of purchase. To find the nearest authorized recycle centre contact your local authority. Instructions for removing the battery can be found in the product user manual. The instructions should be followed carefully before attempting to remove the battery.

### **FOR INTEGRATED BATTERY**

This product contains a Lithium ion/polymer battery that should only be removed by an authorized recycling centre. By recycling this product at

your local authorized recycling centre or the place of purchase, the battery will be removed and recycled separately.

## Notice for Japan

### Recycling Rechargeable Battery

**Li-ion**

Lithium rechargeable battery is a resource that can be recycled.

- For recycling of embedded lithium rechargeable batteries inside Creative products, please do not attempt to remove the battery from the device. For recycling information and instruction, please go to Creative Media K K customer support at <http://jp.creative.com/support/contact/> (in Japanese)
- For recycling of replaceable (removable) lithium rechargeable batteries:

**注意事項**

- It is recommended to remove the rechargeable batteries when they are fully discharged.
- Precaution needs to be taken on metal parts of the battery by covering them with isolation materials such as scotch tape.
- Refer to the homepage of JBRC for information on recycling and recovery of rechargeable batteries and supporting shops. (URL: <http://www.jbrc.com/>)

## Notice for Australia and New Zealand

This product complies with the requirements of the ACMA Radiocommunications (Electromagnetic Compatibility) Standard 2008.

## Notice for Singapore

Complies with  
IDA Standards  
DB00148

## Safety Information

Refer to the following information to use your product safely, and to reduce the chance of electric shock, short-circuiting, damage, fire, hearing impairment or other hazards. **Improper handling may void the warranty for your product. For more information, read the warranty available with your product.**

- Do not dismantle or attempt to repair your product.

### **Refer all servicing to authorized repair agents.**

- Do not expose your product to temperatures outside the range of 0°C to 45°C (32°F to 113°F).
- Do not pierce, crush or set fire to your product.
- Keep your product away from strong magnetic objects.
- Do not subject your product to excessive force or impact.
- Do not expose your product to water or moisture.

If your product is moisture-resistant, take care not to immerse your product in water or expose it to rain.

- The socket outlet shall be installed near the equipment and shall be easily accessible.

## Earphones

- When a conductive apparatus such as earphones, is used in close proximity with a CRT television or CRT monitor, the latter may emit an electrostatic discharge. This electrostatic discharge can be felt as a static shock. While this static shock is usually harmless, it is good practice to avoid close contact with CRT devices when using earphones.
- Do not listen to audio on your earbuds or headphones at high volume for prolonged periods of time as hearing loss may result. For users in the United States, go to [www.hei.org](http://www.hei.org) for more information.

- Do not listen to your audio device at high volume when driving, cycling or crossing the road, especially in heavy traffic, or in any other traffic condition where such use will hinder safe travel on the roads. We recommend that consumers be extremely cautious when using this device on the road.

## **Embedded Battery**

- Do not attempt to remove the embedded battery.

The product must be disposed of according to local environmental regulations. To replace the battery, return your product to your regional support office. For product service information, go to [www.creative.com](http://www.creative.com).

- Do not expose to excessive heat such as sunlight, fire or the like.

**CAUTION:** Risk of explosion if battery is replaced by incorrect types.

## **Wireless Device**

- The short wave radio frequency signals of a wireless device may impair the operation of other electronic and medical devices.
- Switch off the device where it is prohibited. Do not use the device in medical facilities, aircraft, refueling points, close to automatic doors, automatic fire alarms or other automatically controlled devices.
- Keep this device at least 20 cm from pacemakers and other medical devices. Radio waves may impair the operation of pacemakers and other medical devices.

## **Avoiding Hearing Damage**

Permanent hearing loss may occur if the player is used at high volume. Set the volume to a safe level. You can adapt over time to a higher volume of sound that may sound normal but can be damaging to your hearing. If you experience ringing in your ears or muffled speech, stop listening and have your hearing checked. The louder the volume, the less time is required before your hearing could be affected. Hearing experts suggest that to protect your hearing:

- Limit the amount of time you use the player at high volume.
- Avoid turning up the volume to block out noisy surroundings.
- Turn the volume down if you can't hear people speaking near you.
